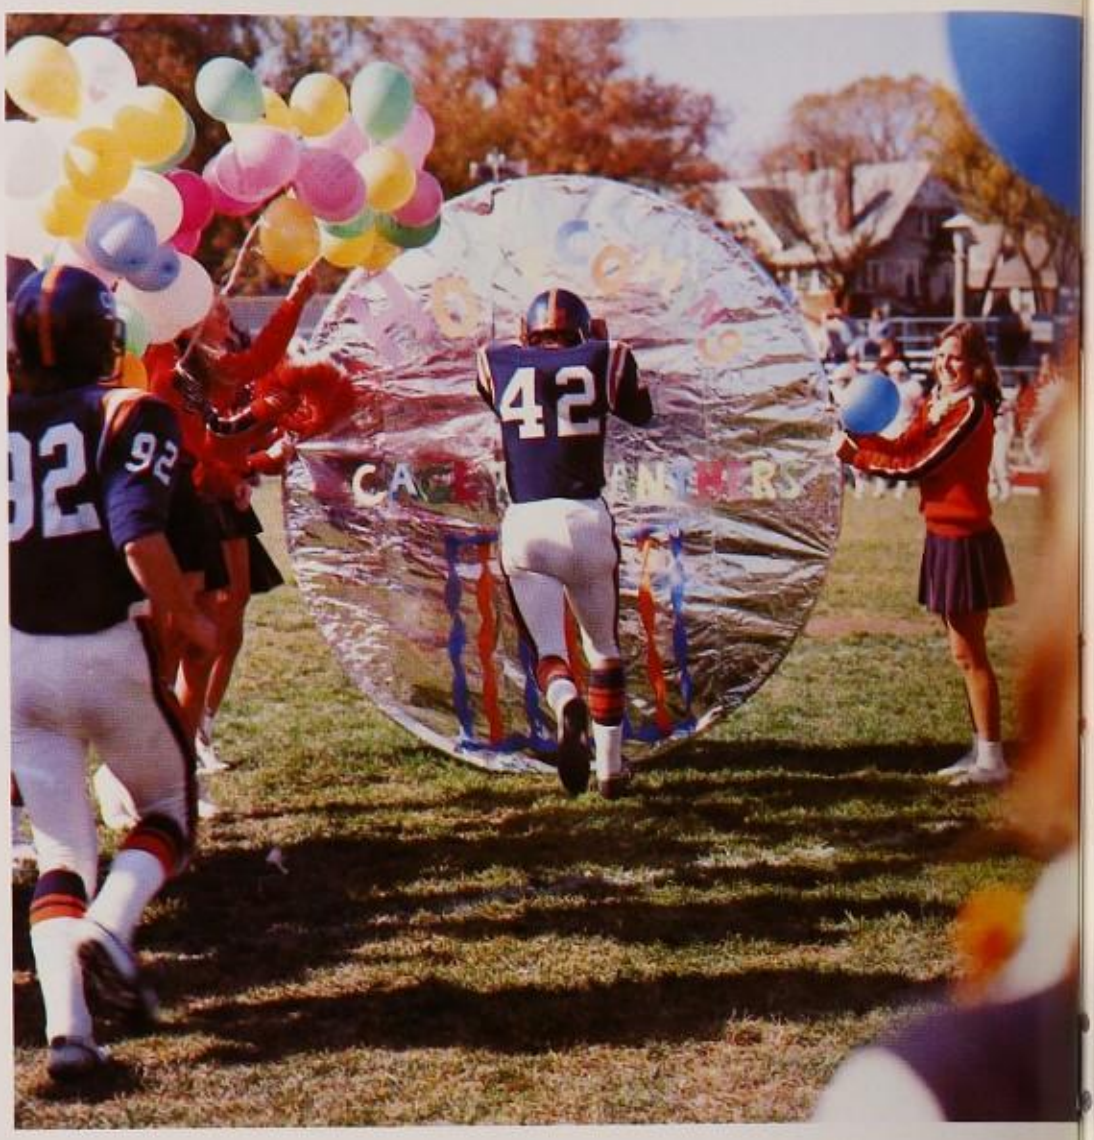
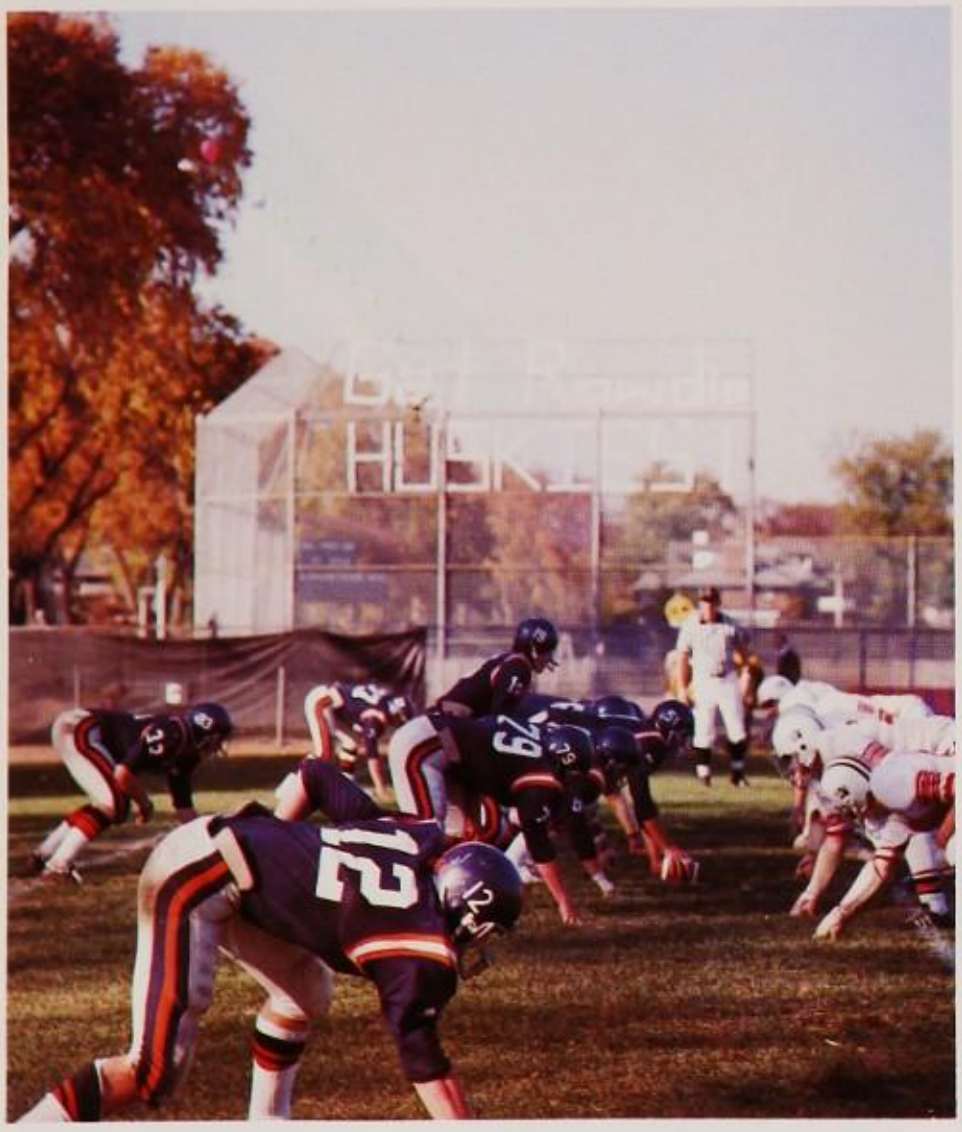
FUN AND GAMES

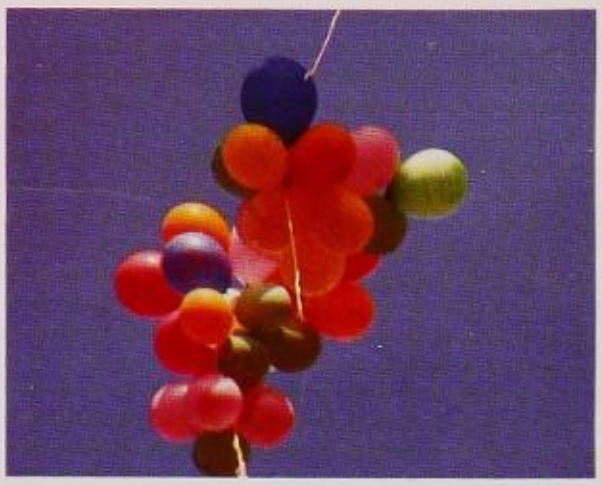
Homecoming

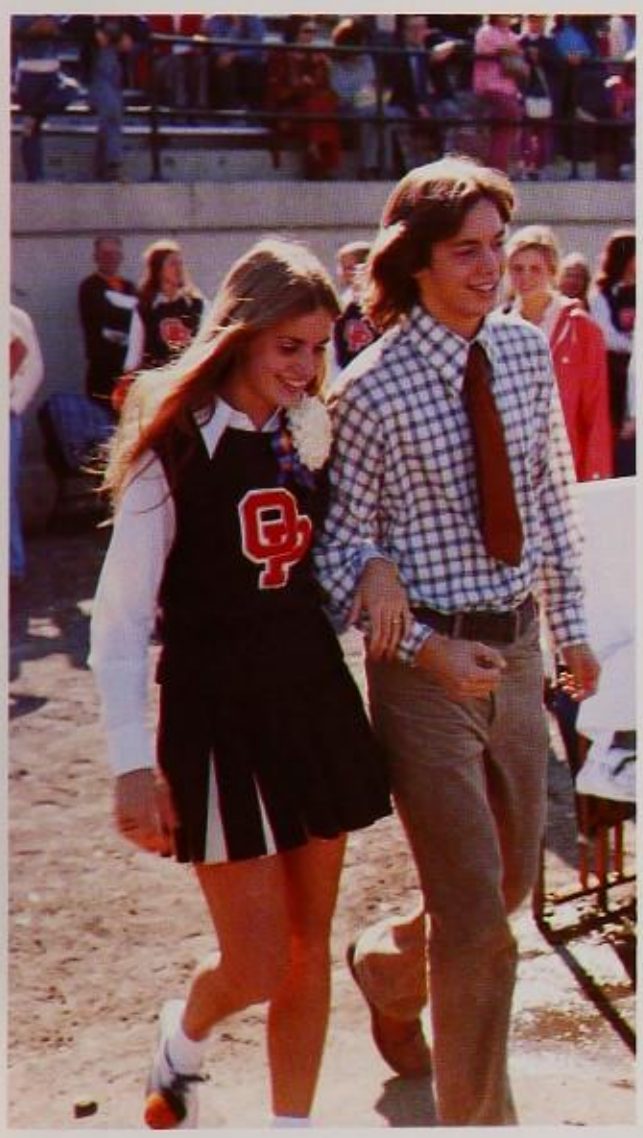
Homecoming proved that Huskie pride and spirit is alive and well at OPRFHS. During the entire week students and teachers participated in school spirited activities. Spirit week began with Deck the Halls which was won by the Freshmen. Ellen Alexander was voted the Senior Rah-Rah with the sexiest legs and Dave MacWilliams got the most votes for Cross Country Runner's cutest legs. The football player with the cutest baby picture was Phil Walsh. Spirit Week was highlighted by the Pep Rallies held on Friday which involved the band, cheerleaders, Pom-Pon girls, and football team.

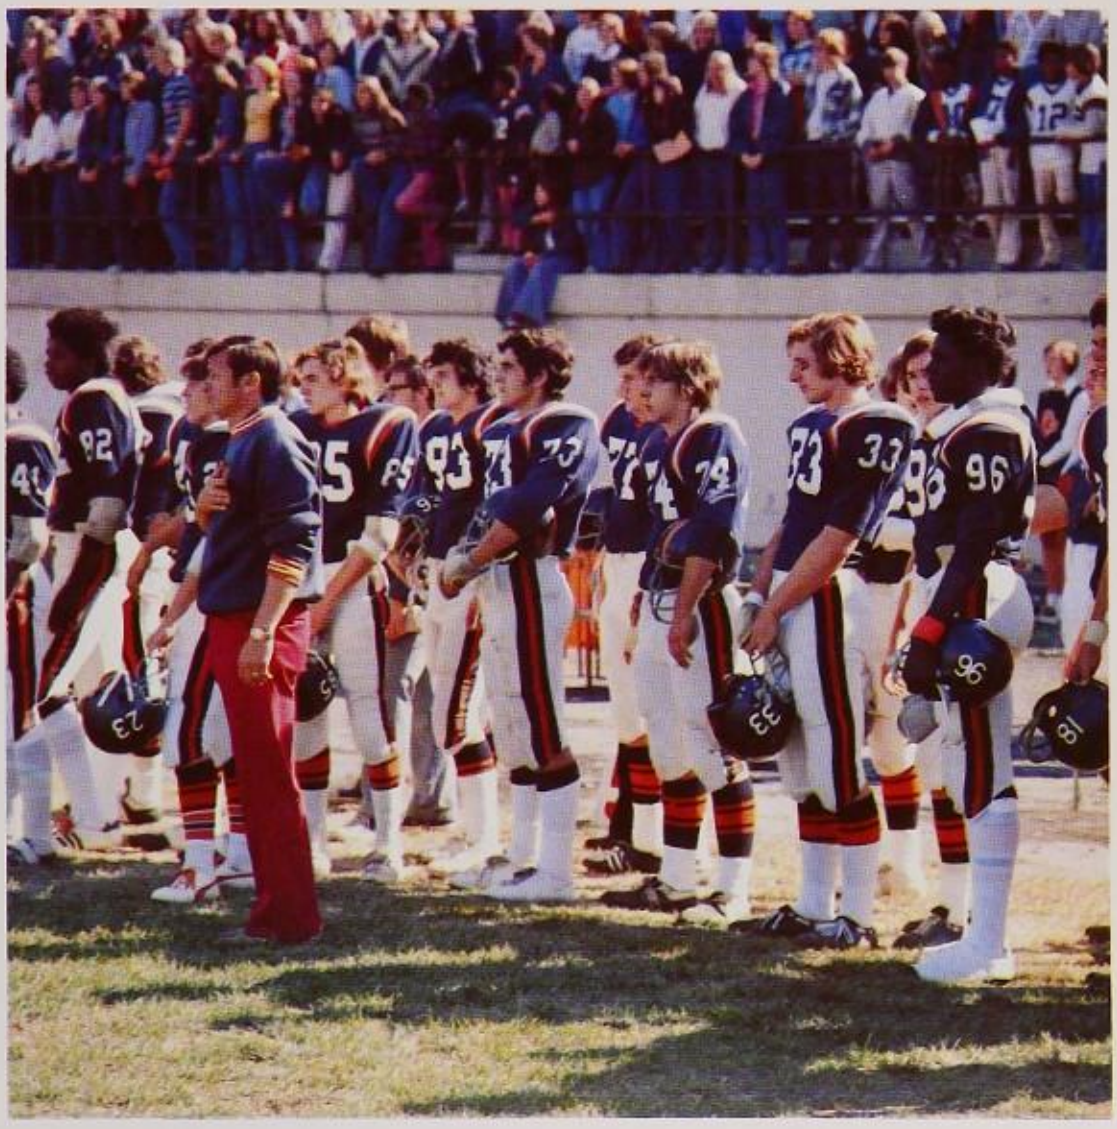
Homecoming day began with the parade which had thirty decorated entrees. The senior class's 100th Graduating Class Bicentennial float took first place honors. Under clear skies and playing before a packed stadium, the Huskies defeated the Proviso West Panthers by a score of 28-14.











First place honors went to the Seniors with their 100th Graduating Class and Bicentennial Float.

Members of the Senior Class cheer on their float. Jane Rubenstein, Suzanne Gignilliat, Dave Wear, Jim Tischler, Rick Way, Helene Alexopolous, Joanne Kurtzke, Anne Klem.

The Dating Game

Culminating the entire week was the Homecoming dance held in the Student Center on Saturday night. More than 400 couples danced to the music of "Paragon" and enjoyed the life-size caricatures of the fall sports players. The Homecoming Court was presented and Patti Carpenter was crowned queen. Homecoming 1975 was one of the most rowdy, exciting and spirited Homecomings ever!

Freshmen Welcomed At Munch With Mother Goose

The theme for this year's Match Mate Munch was "Munch with Mother Goose." The Munch was held on September 27 in the south cafeteria where the walls were decorated with scenes from Mother Goose rhymes. Plans were started for the Munch last spring and the committees met during the summer.

The chairmen of the Munch were Peg Moroni, Barb Mueller, and Mary K. Winters. Other chairmen were Sue Gullo and Debbie Krautstrunk for decorations, Katie Ratcliff for invitations, Liz Gearen and Sandy Rose for table decorations, Jeanne Flannery and Noreen Hart for entertainment, Jennifer Neal for hostess, Ellen Parmley for programs and flowers, Shelley Steel for publicity, and Kris Costopolous for tickets.

Match Mate Munch originated in the 1962-63 school year. The name was thought up by the Girls' Club officers of that year. It was based on the Big-Little Sister idea — the only difference being the name and activity. The brunch had always been held at someone's house, and involved only seniors and freshmen. The activity is now a much bigger event which includes all girls. It is now held at the school and is followed by a home football game.

Girls' Club president, Patti Carpenter, said, "This year's munch was a success because the chairwomen did such a fantastic job. The girls that volunteered to help on certain committees were a big reason why the munch was so good, too. They were always around to lend a helping hand."

Last Girls' Club

The clue to this year's Girl's Club success was participation. The officers were pleased at the student's reaction to the various activities. All the members were urged to join in and help for all activities. Their goal this year was to have a big turnout at their own dance, "The Turkey Trot" on November 15. A raffle was held at "The Turkey Trot" and the lucky winner received a turkey. To get the valentine feeling, "King of Hearts" dance was held for the twelfth year. This turn-about dance was greatly praised. Girls' Club representatives greeted students at the door on Daisy Day and Tag Day with hopes of raising funds.

Girls' Club started in 1916 and officially came to an end this year. Because of a new federal ruling, Girls' Club had to change their name and constitution to some non-discriminary title.

This year Miss Vana was head sponsor with assistant sponsors Mrs. Bullen and Miss Gerkin.

Student Council Members Take Action

Many students think that this year's Student Council has been the most productive and representative Council there has been in a long time. In order to better represent the student body, last year's Executive Board interviewed and selected fifteen people to Council, along with the forty elected members.

Student Council's first big activity was Homecoming. Spirit Week, the parade, and the dance highlighted Council's biggest production. Katie Ratcliff and Shelley Steel were co-chairmen of the event.

Publicity, headed by John Maienza and Cathy Roach, utilized a showcase in the Student Center in order to better inform students of Council's activities.

The Elections committee held Freshmen elections in November. Student Council also organized the elections for next year's Council and Class Officers which were held in May.

The Reach Out committee tried hard to better the communications between students and faculty. In order to do this and to listen to student's gripes and suggestions, Open Forums were held through out the year. Kathy Steel and Chris Peregrine were the co-chairmen of Reach Out.

Student Council sponsored the Red Feather Dance which was held in February. They contributed the profits to the Community Chest of Oak Park and River Forest. Conference '76 was another big event that Council was involved in. Students from OPRF, Trinity, and Fenwick participated in day long activities and different seminars. Barb Kennedy was chairman of this event. Student Council also helped organize the Senior Citizen's lunch program.

Dr. Jerry Anderson served as the Student Council advisor.

Upperclassmen Show Experience

The Junior and Senior Class Councils participated in many varied activities in 1975 and 1976. The Seniors, sponsored by Mr. Deptuch, were especially successful in their last year at Oak Park High School. Gym Night, an annual activity, was the first of the Seniors' projects. This was followed by a blood drive for the benefit of the Red Cross, and a Senior-Junior dance held in May. Such activities were organized in order to raise money for their prizewinning Homecoming float, "The Spirit of '76," and the gift which was presented to the school.

This year also proved to be surprisingly busy for the Junior Class, for this Class Council was responsible for several major activities. With the help of their sponsor Mr. Perry, they successfully organized the Junior Carnival with all of the games, refreshments, and dancing included. In addition, the Juniors held a bake sale, and sold buttons. All of these efforts were successful in raising money for the construction of their class Homecoming float and for their largest undertaking, Prom.

Through the accomplishments of the 1975 and 1976 school year, the Senior and Junior Councils displayed the ability and leadership which comes with three and four years of experience.

Councils Set Pace

This year, the Freshman and Sophomore Class Councils exhibited great ambition and creativity in their project ideas. The excellent attendance at the Sophomores' early morning meetings was particularly encouraging. During these sessions, the Sophomores, under the direction of Mr. McHugh, spent their time coming up with new creative ideas and organizing projects. Along with the "Super Sophs" buttons of previous years, they also decided to sell T-shirts and their own class rings.

In spite of their lack of experience in school government, the Freshman Class Council was quite successful. They organized a food drive for the poor. The car wash and bake sale which they also held made the year fun and profitable. These achievements along with those of the Sophomores are evidence that the underclassmen of 1975 and 1976 will provide effective leadership for Oak Park High School in the future.

"The Boyfriend"

On October 31, November 1, 7 & 8, the Little Theater curtain went up on "The Boyfriend." Set in the 1920's at a girls' finishing school on the French Riviera, this musical comedy held the interest of the young and old.

In the story, each person must have a mate for the Carnival Ball. Yet, the young and wealthy Polly, played by Joy Guscott, faced attending the ball alone since her father felt she was too young to have a beau. In spite of her father's feelings, Polly instantly fell in love when she met Tony, played by Chuck Johnson, a messenger boy. They agreed to attend the Carnival Ball that evening, together.

In the meantime, the Lord and Lady Brockhurst appeared on the scene. While Lord Brockhurst had fun with girls from the school, Lady Brockhurst was forlorn over the sudden disappearance of their son, Tony.

Meanwhile, Polly told Tony that she was a secretary at the school because she wanted to be sure that he didn't love her for her wealth. As they walked through the park, Tony noticed his parents. Soon afterwards the Brockhursts saw Tony. As his mother cried out for someone to stop him, Tony rushed away leaving Polly alone again. Poor Polly began to think that she had fallen in love with a thief or worse, she feared that she would never see him again.

That evening the Carnival Ball was solemn until a masked clown appeared and declared his love for Polly. The clown then revealed himself to Polly as Tony. From then on, the ball was a joyous occasion.

The sideline romances between Maisie, played by Laura Pelafas, and Bobby Van Husen, played by Andy Miller, as well as Madame Dubonnet, played by Cynthia Hubbard, and Percival Browne, played by John D'Asaro, added even more interest to the play. Other students in the cast were: Mary Beth Provenzano, Carolyn Weber, Alice Botthof, Susan Eifrig, John Doody, Christopher Genzler, Thomas Murphy, Richard Kirk, Jennifer Brezon, Victor Pilolla, and Andrew Simon. Lord Brockhurst was played by John White and Stacey Armour played the part of Lady Brockhurst.

During the six weeks of rehearsals, the cast learned lines and songs, plus the Charleston. Little by little the romances, songs and dances pieced together creating a delightful musical where the audience never experienced a dull moment.

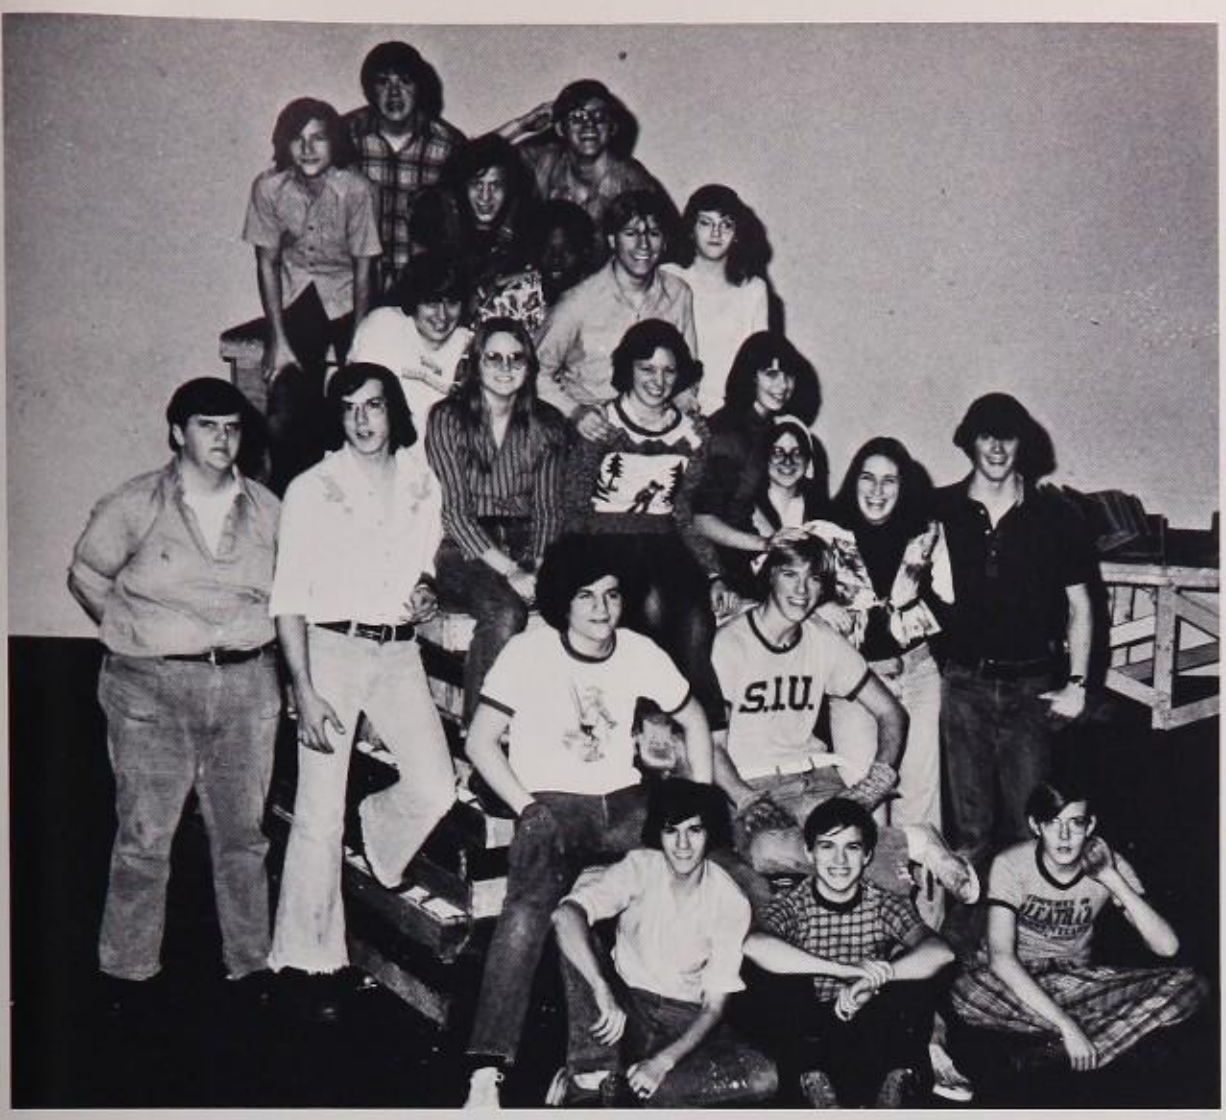
A masquerading John White breaks into song.

The whole cast winds up the show with one last Charleston.



Stage Crew Builds

Stage crew had another eventful year full of wood, nails, and paint. The hard work put into the sets was always very evident when the curtain went up. One of the most memorable sets was that of "The Lion in Winter." Since the play needed quite a lot of room, but not as much as the auditorium would provide, the Little Theater stage had to be expanded. Through the ingenuity of the stage crew, headed by Mr. Neilson, the stage was built out into the audience.

Another play that presented some difficulties was "Camelot." Some of the scenes had to accommodate as many as eighty people at one time. To take care of all the people, stage crew incorporated balconies.

Although stage crew does not always get the credit they deserve, actors and director do appreciate the hard work put out by each stage crew member. After all, if it weren't for the behind-the-scenes work of stage crew, the plays just couldn't go on.

Big Brothers And Big Sisters Welcome Frosh

At the start of the year, the Big Brothers and Sisters made frequent visits to the Freshmen "A" periods. Mr. Gail Goodwin, sponsor of both the Freshmen Class and the Big Brother and Sister program, said he felt the program not only helped the freshmen get familiar with the school, but also gave many of the upperclassmen a sense of responsibility. Besides making visits to "A" periods and being friends to the freshmen, the Big Brother and Big Sister's co-sponsored freshmen fun night with the Student Council.

On the night of September 19, the freshmen had the school to themselves. Mr. Goodwin helped to make Freshmen Fun Night a success along with the Big Brothers and Sisters and members of Student Council that worked at fun night.

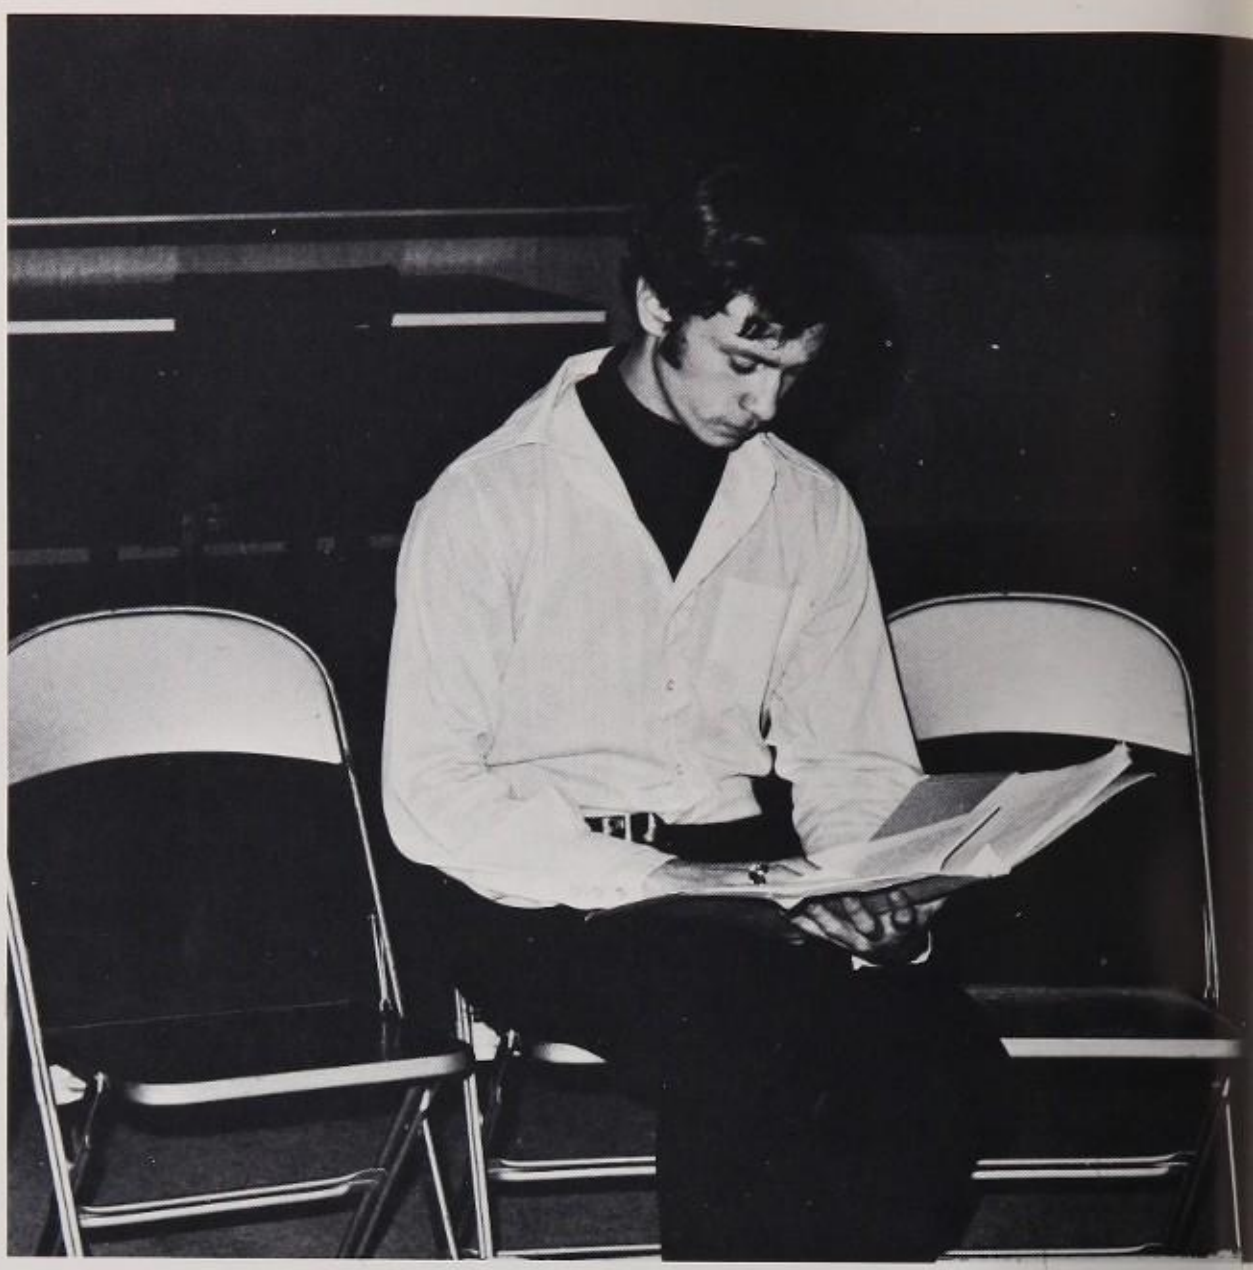
A Comedy Smash . . .

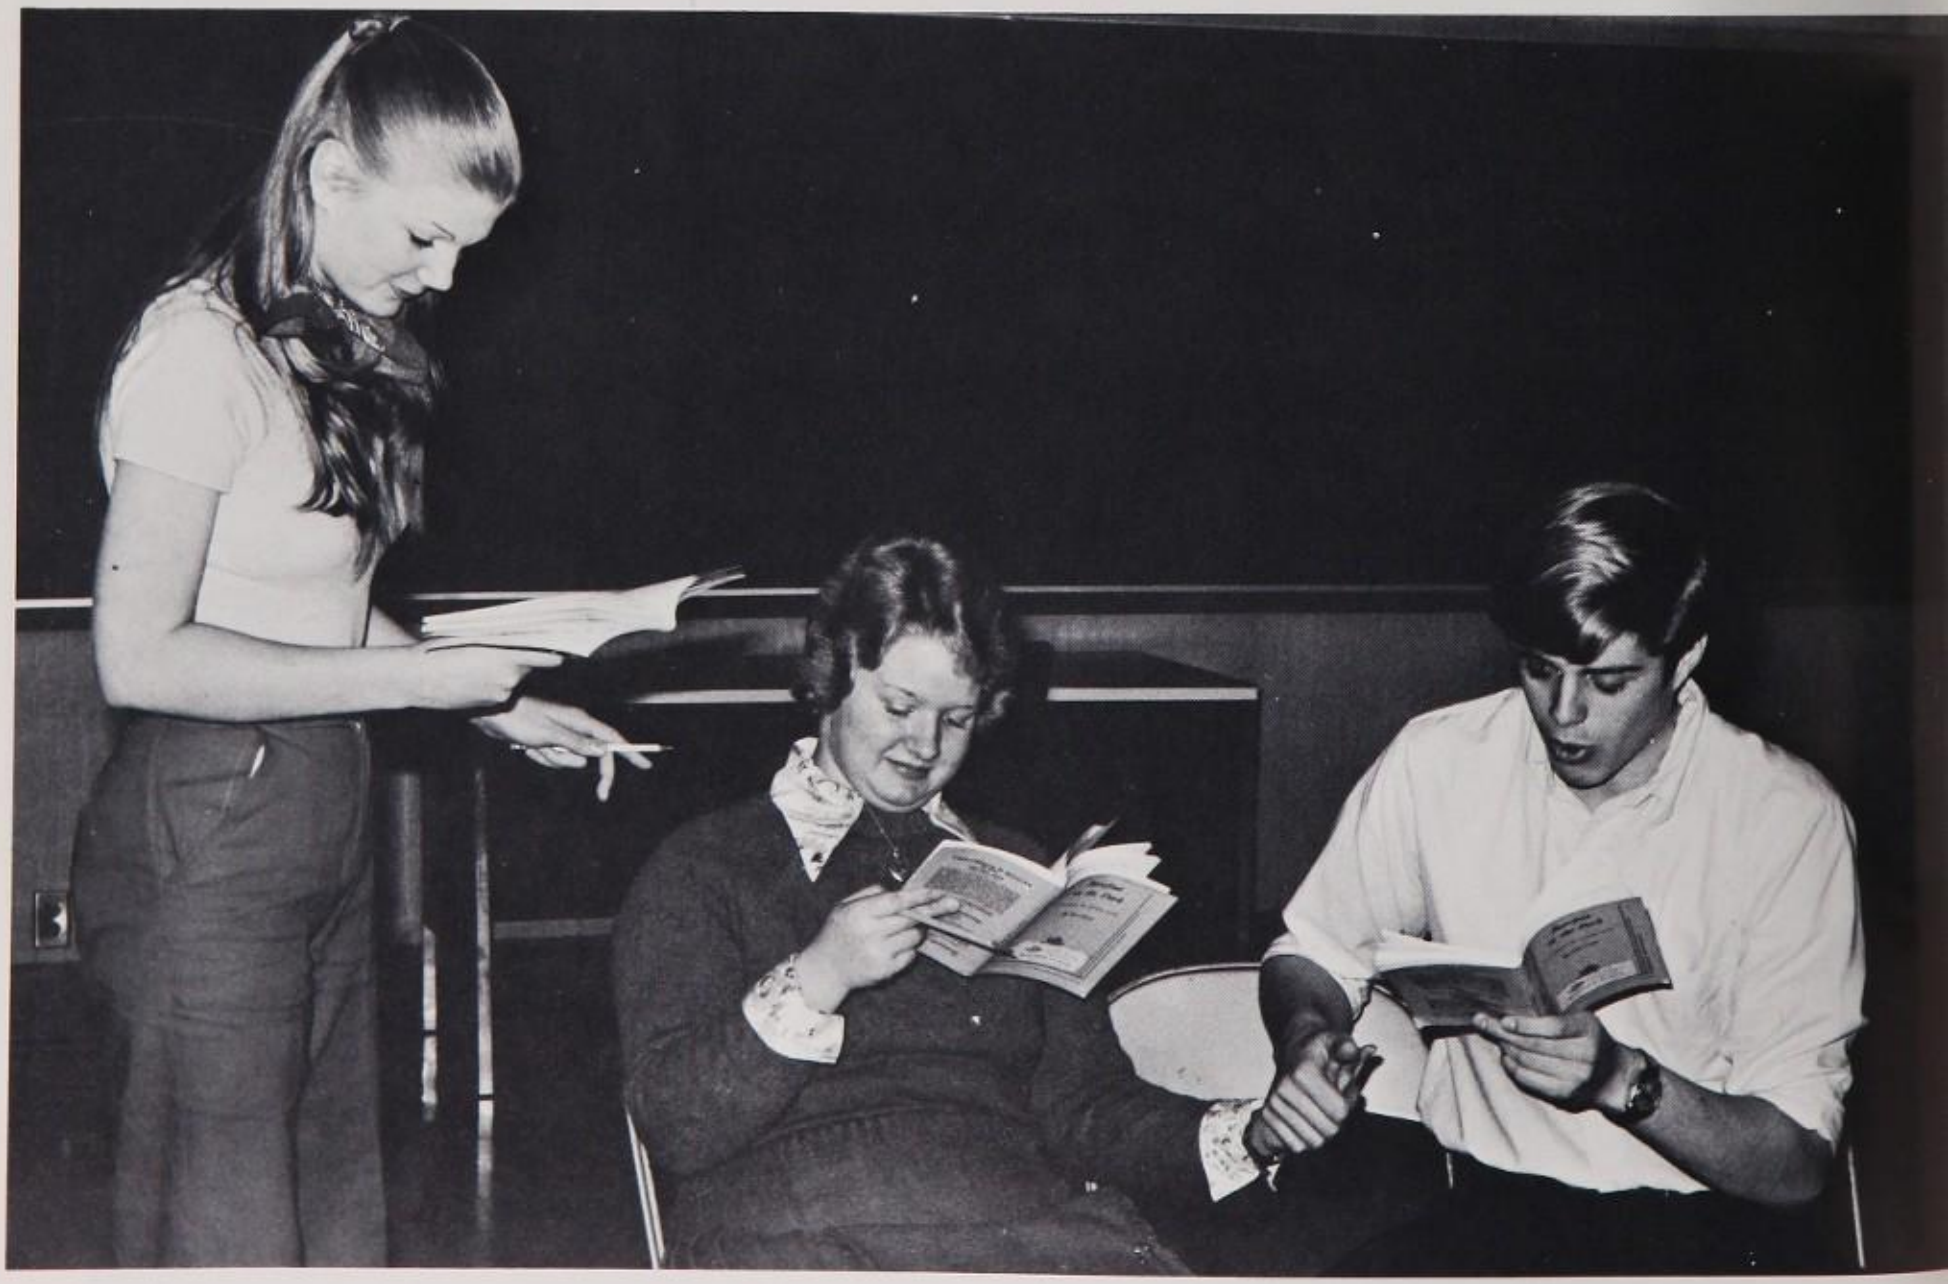
Comedy came to Oak Park March 26, 27 and April 2,3 as "Barefoot in the Park" made its debut. One of the most popular of Neil Simon's plays, "Barefoot in the Park" had a long run on Broadway, starring Robert Redford.

The plot centers around the complicated lives of Paul and Corrie Bratter, newlyweds overwhelmed by love. Paul, a logical young lawyer often finds himself in very unusual situations thanks to his scatterbrain wife Corrie. Adding to the confusion are Corrie's mother, Mrs. Banks and Victor Velasco, the eccentric upstairs neighbor of the Bratters.

The play was double cast. The cast members of the play were Lauren Hughes, Joy Guscott, Tom Deist, Chuck Johnson, Cindy Hubbard, Jane Auer, Sam Heller, and John Maienza.



Chuck Johnson studies his part of Paul Bratter. **Joy Guscott** as Corrie, Cindy Hubbard as Mrs. Banks, and Tom Diest as Paul rehearse. **Joy Guscott** as Corrie and John Maienza as Victor Velasco seem to be having fun. **Mr. Radford** looks on. **Chuck Johnson** as Paul and Jane Auer as Mrs. Banks rehearse a scene.



Orchestras

The Symphony Orchestra was busy this year performing three concerts of their own, accompaning at the choral concerts, and giving a guest performance at St. Xavier College where they worked under the direction of Maria Tunicka. At their spring concert, the orchestra performed their most difficult piece, the "1812 Overture", complete with cannon effect.

The String Chamber orchestra, consisting solely of strings, performed two concerts, and played in state competition. At their first concert, the orchestra tried something new. Members of the orchestra played while strolling through the auditorium.

The Concert Orchestra, consisting of 64 freshman, is, according to Mr. Jack Wirtz, "One of the finest and strongest Concert Orchestras the school has had."

A Capella Choir Sings Its Way Across The Waters

A Cappella Choir, a select group of juniors and seniors, concentrates on fine musical quality. They perform serious music and perfect sight-reading, ear training, and breathing techniques as well. Under the direction of Ms. Raybon, the choir went to England on spring vacation. There they gave three concerts including selections from "Porgy and Bess", "A Little Night Music", and some spiritual and sacred pieces. The choir had excellent spirit themselves this year, they raised more money toward their trip than any other group has in the past. Besides their tour, A Cappella performed five times throughout the year, and had some community appearances also.

Concert Choir, directed by Mr. Kratky is a group of talented upperclassmen who perform music of a lighter quality. The students play their own musical-variety shows, including the selection of music, choreography, and comedy skits. These informal concerts allow students to use their personal talents, as well as bringing the audience into participation, laughing and singing along with the choir. Concert Choir also performs in the Christmas and Spring Choral Festivals.

Music Ensembles

Besides the usual orchestra, bands, and choirs, students at Oak Park River Forest H.S. can also join one of the smaller extracurricular musical groups.

Madrigals, consists of some of the top vocalists in A Capella Choir. During the Christmas season, Madrigals performed nearly ten concerts for senior citizens, clubs, and various churches in the community. They also gave their third Madrigal Christmas festival and performed in England.

Jazz Band consists of top band students interested in both jazz and popular music. Their performances are continual sell-outs and they provide for their audience a show well worth attending.

Senior, Junior, and Sophomore Mixed Ensembles are groups of choral students, who meet on their own to practice for the two big choral concerts, in December and in May. Each group chooses their own theme. Songs are chosen that directly relate to the theme, routines are choreographed, costumes are made, and the Mixed groups are ready to roll.

Swim Show

"A Bicycle Built for Two," "Dry Bones," "Shoes With Wings," and "Hello Dolly" were a few of the songs which accompanied this year's swim show. The performance enlisted the help of 41 girls and 8 boys with numerous special effects. Strobe lights, a mirrored ball and black lights set the mood for men from space, women's "libbers" and a pool full of cowboys and Indians.

Try-outs were held Jan. 26 and 27 for the girls with the boys joining on March 5. "The skill levels shown during try-outs were exceptionally high this year," said swim show director Mrs. Mary Lou Nichols. Every Monday and Friday the waters rippled with ballet legs, kips, and back dolpins.

By April 28, 29 and May 1 rountines were ready and "Apple Pie A La Mode" was on the road. Lights, bathing caps, action!

Brian Felix and William Grosser are the boys featured on the page.

Studio Theatre

Laurie Kaynor and Sue Kercher in "Sinister House." Charlie Brown (Paul Erickson) contemplates life, in "You're a Good Man, Charlie Brown." Lucy (Tricia Grennan) and Sally (Jenny Brezon) write a note on Charlies Brown's head, in "You're a Good Man, Charlie Brown." Chuck Johnson and John White in a dramatic scene from "The Arms and Man." Martin Long and Paula Castellaneta gossip over tea in a scene from "The Arms and Man." Mark Dunn confronts Will Stroth in "The Miracle Worker."

Students directing, casting, and performing is what Studio Theatre is all about. Studio Theatre was formed to give students experience in every facet of theatre rather than just acting. The student directors for 75-76 were; Tricia Grennan "The Miracle Worker", Laura Danly "The Arms and Man", Mr. Weber "Sinister House", Chuck Johnson "You're a Good Man, Charlie Brown", Chris Kelly and Jim D'Asaro.

Helen Keller (Michelle Clancy) somewhere in her own world in "The Miracle Worker".

Photo Staff Clicks

The Photo Staff under the direction of Miss Carola Kanaya, who is a new teacher at OPRF, once again served TABULA and TRAPEZE staffs with the pictures they took at the various school events.

The Photo Staff members not only take the pictures, but also develop the film and print the pictures. Photo Staff's main purpose was to improve the quality in the pictures. This was achieved by Miss Kanaya teaching the staff members how to select a good negative and helping each member in the dark room with the processing part of photography.

This year Mr. Bill Stefanelli took all the team and group pictures. Besides Miss Kanaya being new, Mr. Ben PaVon, the photo technician, was also added to the staff of OPRF.

Tabula Staff Participates In "The Game Of Life"

Tabula editors made an early start this year. Editor-in-chief Jean Parker and Associate Editor Allison Houha both attended a Yearbook Workshop from June 29 to July 11 at Indiana University. PTA scholarships helped pay the workshop fees. During the two weeks at the workshop the girls developed a theme, and learned new layout designs, techniques to improve copy and captions, and new ideas on graphics, art and pictures.

When the school began the two editors along with the five other editors and the twenty-four staff members put their ideas to work. The theme chosen was "The Games We Play." **Tabula** staff set up the game board of "Life" at OPRFHS thoughout the yearbook, showing how Freshmen through Seniors all participate in "the game."

The advisors for **Tabula** were Mrs. Batz and Mr. Currie.

Trap Informs

The 1975-76 **Trapeze** staff continued this year to inform the student body of what was going on and what was going to happen in the school through the **Trapeze**. New columns in the paper were "Shades of Chauvinism" and "Guess with Fitz". Under the direction of Mrs. Pam Batz and Mr. Jeff Currie the **Trapeze** staff was able to produce a paper each week. **Trapeze** editors were: Cathy Roach, Editor-in-Chief; Dan Guinan, News Editor; Kris Inkmann, Associate News Editor; Kevin Fitzgerald, Sports Editor, Jane Rubinstein, Fine Arts Editor; and Leslie Jacobs and Ann Kirchner, Advertising Editors.

Trapeze members: C. Roach, L. Jacobs, J. Rubinstein, K. Inkmann, D. Guinan, D. Shonder, D. Linberg, K. Gruber, J. Blommaert, A. Moore, J. Neal, P. Beckway, F. Stefani, A. Simon, M. Saunders, J. Linguapolitan, Crest Develop, Display Literary Talent

The 1975 issue of **Linguapolitan**, a foreign language magazine, received first place in the Columbia Press Association's 52nd annual contest of 1975 in the national competition for foreign language magazines with a score of 985 out of 1000 points.

A copy of the 1975 **Lingua** was sent to Marc Chagall, to whom the centerspread was dedicated in honor of his gift to Chicago of the mosaic wall, "The Four Seasons." In reply, Mme. Chagall sent a postcard saying that her husband was "greatly touched by the gesture".

The material for **Lingua** is written by foreign language students of all levels. The staff of **Lingua** is made up of outstanding foreign language students who meet 9th period every day to read and select the best of the imaginative stories, poems, essays, and ink drawings which find their way into the Lingua office.

The sponsor of **Linguapolitan** is Mrs. Beatrice Soroka.

For every Spring since 1893 the English Department at OPRFHS has published a literary magazine called **Crest. Crest** also publishes two 4-page supplements to **Trapeze**, the school newspaper. **Crest** presents the outstanding creative poems, short stories, artwork, and photography of the students at OPRFHS.

The staff is chosen in the Spring for the following year. They meet every day to read all the material that is submitted. Then they grade and select the best works to be published. The work of the winner of the Ernest Hemingway Award is also published in **Crest.**

Ushers And Monitors

The Company of Ushers is a service organization of over 100 students who hostess the school. They serve at all performances, tours, community lectures, and the Spanish contest. The "Elite Corp" is a new group of uniformed ushers who also service at conventions. Outstanding work by a student is honored, by recieving a badge of achievement. Sponsors this year were Miss Joan Koch, Mr. Alex Moerle, Miss Barbara Boyer and Mr. Earl Corrigan.

Monitors are a group of over 200 students who, in one period per day, help keep the halls quiet for learning. They are run by a board consisting of juniors, seniors, and sponsors. The board meets once a week, discussing procedure, personnel and problems. Seniors who have given at least two years of service are honored at the Spring reception. An important qualification of the monitor is to know the school well. Sponsors are Miss Joan Koch, and Mrs. Terrieann Vyborny. The students do not receive credit or renumeration as they give their service to the school.

Meet The Artist

Unique to Oak Park High School is the "Meet the Artist" program. It started in 1966, when Mr. Pelz, director of the Art Department asked for the support of the Village Art Fair Board in order to begin this program. The Board gave Mr. Pelz the money he needed, and the "Meet the Artist" program began.

In "Meet the Artist," the professional that visits OPRFHS gives a lecture and a demonstration of his talents. The artists that participate in the program are from Chicago and suburbs. A few of these artists have been former students, namely Robin Reed and Roger Garfield.

Some of the artists that visited OPRFHS are: Bib Neiman — weaving, Art Hendrickson — cartoonist, Larry Janiak — animated film-making, and Eslean Henderson — sculptor.

P.C. Goes To D.C.

This past year the Pollution Control Center was comprised of an ambitious group headed by student director John Fanta and sponsored by Mr. Edward Radatz. The Center won third place in the National Awards competition that was sponsored by Keep America Beautiful Inc. On December 3-6, Mr. Radatz and John Fanta went to Washington to accept their third place award and to attend Keep America Beautiful's twenty-second annual convention.

The Center operated a paper pick-up service for senior citizens and handicapped persons. It also provided student speakers for local clubs and grade schools. Also, throughout the year Pollution Control Center attempted to keep the high school's students environmentally aware.

The King And I

This year's annual turn-about dance was highly successful as more than 500 couples attended the dance. Sponsored by Girls' Club, the theme of the dance was "The King and I." Numerous oriental wall murals, drawn by Debbie Krautstrunk, Gini Gunderson, Diane Hamity, and Mimi Soudan lined the Student Center and Chinese lanterns hung from the ceiling. Couples danced to the music of "No Rome" from 8:30 to 11:00 and enjoyed almond and fortune cookies in the cafeteria. This year a junior King of Hearts court was added to the traditional senior court. Joe Hedger was crowned king and senior court included Matt Gawne, Mike Maienza, Tom Norris, Bob Patten, and Jordan Youngerman. The junior court included Tom Soudan, Marcos Blanco, Jim Woods, Greg Quinlavin, Steve Hart, and John Maienza. General chairmen for the dance were Noreen Hart and Peg Moroni. Other chairmen were Publicity: Gini Gunderson, Bids: Debbie daSilva, Cafeteria decorations: Jean Harmon, Cafeteria food: Sandy Rose, Coat check: Barb Ciccio, Entrance: Sue Gullo, Throne: Pati Carpenter, and Invitations: Stephanie Brown.

"Camelot"

Camelot, the enchanted land with a talking owl, unicorns with silver feet, and the perfect climate all year around was the setting for the spring musical. The show required a large cast, colorful tumes, and a complex set. However, under the direction of Mr. Eitrheim and with the help of stage crew, the technical difficulties were overcome.

When tryouts began in mid-January, Mr. Eitrheim and Ms. Raybon were faced with nearly 100 prospective Guenevere's, Lancelot's, and King Arthur's. But due to the talent of the actors, the directors double-cast the parts of Guenevere (Mary Mastrontonio, Laura Pelafas), King Arthur (Peter Lane, David Mueller), Lancelot (Mark Dunn, Will Stroth), Morgan Le Fey (Erica Pearsall, Mary Beth Provenzano), and Nimue (Cindy Hubbard, Joy Guscott).

Other outstanding cast members were Pellinore (Andrew Miller), Merlyn the magician (Rick Kirk), and Mordred (Kevin McIntosh).

Lancelot (Mark Dunn) and Guenevere (Mary Mastrontonio) declare their love for each other. **Three knights**, David Murphy, Mark Bode, and Jim D'Asaro are ready for battle. **King Arthur** (Dave Mueller), Pellinore (Andy Miller) and Guenevere (Laura Pelafas) discuss the surreptitous Mordred.

The chorus goes over music with music director Ms. Raybon before a rehearsal. **Lancelot** (Will Stroth) and Guenevere (Laura Pelefas) together. **Morgan La Fay** (Mary Beth Provenzano) watching for Arthur.

Clubs Attract Many

During the past year, thirteen different clubs were active at Oak Park High School, indicating the wide range of interests held by this school's students. From September to June, the enthusiastic club members broadened their knowledge and enjoyed themselves during field trips, in-school meetings, and even on picnics.

The Radio Club, under the direction of their sponsor, Mr. Krass, found 1975 and 1976 to be years for growth and expansion. The club's president Kevin Kirby and vice president Kevin Boneham were proud to announce the addition of new radio gear to their collection, a purchase which was made possible by the sale of Huskie buttons at football rallies and games. With this additional equipment, the club also taught interested students about radio code and theory.

The Media Club also broadened their experience during the past school year by pursuing their own individual, media-related interests. A visit to the audio-visual department is proof of this, for here, club members spent much of their time investigating all types of media. In their work with graphics, duplicating machinery, printing, and design, the club combined both creativity and practicality while providing valuable services for the school. During the year, they acted as hosts for the annual Open House Night, freshman orientation, and the fall Media Mixer, during which elementary school children toured the library and learned about its different functions.

This year the Chess Club met every week and practiced for the tournaments. The season lasted from October until March and matches against other schools were held every three weeks. Mid-way through the season, the chess team's record was 4-1 . The highlight of the season was the Conference Tournament held in March. The officers for the club are Mark Peiser, president, Mike Diazbarriga, vice-president, and Nelson Campbell, secretary-treasurer. Mr. Ostendorf is sponsor for Chess Club.

The major project of the Home Economics Club was the Christmas bazaar held in December. For three months the club worked hard on making the crafts that were sold in the bazaar. A special event that the club did this year was to attend the FHA hero rally, where schools from all over sold something that they had made. Other activities include food demonstrations that are given at the meetings. Home Economics club is under the direction of Miss Kabat and meets on Wednesdays, after school.

After School Activities Draw Crowds

Since many active members graduated and there was new sponsorship, the Human Affairs Club underwent a transitional period this year. The club was sponsored by Mr. Averbach but the students made all of the large decisions. The meetings followed a traditional schedule of guest speakers. Visitors representing women's liberation and the John Birch Society presented their viewpoints to the club.

International Club, sponsored this year by Dr. Joan Monego, gave students a cross-cultural understanding. This understanding was introduced through talks by guest speakers, slide presentations, ethnic craft projects, and other samples of foreign culture. The main event of the International Club this year was the sponsorship of an International Fair. The Student Center became an international street where students could sample foreign cuisine, observe folk crafts, and enjoy dances from around the world. International Club gave students a chance to experience foreign culture.

Magic Club tried to put a little magic in every student's life. Regular meetings were held for all interested students. Students learned more of the world of magic from guest speakers and others who shared their interest in magic. This year the Magic Club performed for the high school in the spring. Also, the club participated in Oak Park's "A Day in Our Village" by putting on a show for the villagers. The club was co-sponsored by Ms. Diane Tucek and Mr. Alex Moerle. The president was Charles Hagensick and the vice president was Mike Dever.

This past year the Math Club, sponsored by Mr. Gabanski, was an active student run program. The group, consisting solely of interested freshmen and sophomores, have math as a common hobby. The meetings were held every other Thursday, but didn't follow a preplanned schedule. Instead, they were devoted to different individuals each time who presented their latest math interest to the rest of the group. Under president Joel Lessing, the club has explored such areas as computer logic, and mathematical games and illusions.

Newton Club gave upperclassmen the opportunity to broaden their scope in mathematics. Math books and special projects were given to the members as tools for learning. Students also learned through discussions and other math events. This year Newton Club was sponsored by Mr. Bonney.

Club Members Have Busy Year

Simulation Games Club was one organization that did not follow a traditional course of activities during the 1975-76 school year. Rather than holding bake sales, organizing picnics, and selling Huskie Buttons, the 15-20 members of this club had new experiences that most high school students never encouter, such as fighting bloody World War II battles, playing in the All-Star Game, and wiping out a tribe of Indians from the era of the Wild Wild West. All of these exciting activities took place, of course, on a miniature-scale game board in Mr. Stephen Bender's classroom, with the Simulation Games Club members in control of every move. Every other Saturday, from 8:00 a.m. until 5:00 p.m., these people met to reenact different battles and events which took place at some time between 1500 B.C. and 4600 A.D. In this way, the club drew the basis of their battle campaigns and strategies from real historical data, or from their own projections of the future. At one time, General Hannibal's invasion of Rome by elephants was simulated in miniatures. And later, this group played a fantasy game complete with knights, dragons, and cold, dark dungeons. Presently, the members are involved in a rather complex, new series of baseball games which will end with the All-Star Game and World Series. The officers of the Simulation Games Club, appropriately referred to as the Joint Chiefs of Staff, are Paul Erickson, Rick Kirk, and Tom Nunamaker.

Although the members of Photography Club did not fight any major battles or play in the World Series, they did find the past year to be busy and productive. With the help of their sponsor, Mr. Bill Stefanelli, this group of students expanded their knowledge of the art of taking good pictures, which is harder than it appears. They learned about cameras, practiced taking interesting and creative pictures, and then learned how to process their own prints with school equipment. The results of many of these endeavors were displayed in the school student center during the spring photo show — Photography Club's main activity. This is an annual event open to all students interested in displaying their work.

Photo Club members develop their negatives. **Student** finishes a print by mounting it.

This year, the Bridge Club met every Wednesday during the first semester and continued again in the spring. The non-bridge players were taught to play bridge at the beginning of the semester. There were no dues, and a mini-marathon and a pizza party were some of the activities that Bridge Club was involved in. Mrs. Hoyt was this club's sponsor, and the officers were Jan Shargo and Karen Wade.

One of the major activities that Biology Club took part in this year was the Routine-a-thon. It was a fund-raising activity to send students to summer environmental workshops.

At monthly meetings, this club hosted discussion speakers on field trips, environmental workshops, and alternative energy forms. In May, they went on a student-designed field trip to Indiana Dunes National Lakeshore. The faculty sponsor is Edward C. Radatz and the officers are: John Fanta, President; Nancy Browne, Vice-President; Laura Weiss, Secretary; Cassie Plona, Treasurer; and Eve Wiederhold, Publicity Chairperson.

ACADEMIC

Science — Teachers And Students Working Together

Unlike other academic subjects, science is a class of action. Students working with their teachers or with other students, discover how to find their blood type, how to make molecule models, and how electricity works, and much more.

Because they are always trying to teach the students more and meet their growing needs, the Science department has added four new courses. Oceanography and Earth History have been added to the summer school curriculum, and Microbiology and Astronomy to the regular program of studies.

Microbiology teaches students more about fungi, bacteria, and molds than does Biology. It also allows students to do more work with the microscope. Astronomy teaches students more about the stars and planets, and fills a void for many amateur astronomers.

Student response to the new courses has been very enthusiastic. Carrie Weber, Microbiology student, said, "It is a good course for students going into medicine." Maureen Schneidwind looking at it on the whole said, "Microbiolgy has proven to be one of the most interesting and fun classes I have ever taken."

The Science Department wishes to welcome two new teachers: Mr. Sam Manola and Mr. Kevin Washington.

O.P.R.F. students represent cultures from many lands.

Buenos Dias, Salve, Bonjour, Guten Tag, Hello!

Welcome to the Foreign Language Department! There is always a lot happening here. International Club, started just last year has grown immensely. One of its projects — the International Fair included crafts, cuisine, and entertainment from various lands. It was enjoyed not only by O.P. R.F. students, but by the entire community. Many of the students who worked on this are from different countries themselves and were there to help with the "authentic" touches. We have 137 students here who represent 29 different foreign languages. They don't get much publicity and are indespensible in many ways. They help new students cross a language barrier as bilingual aides. As human resources to all other departments, students can learn about these cultures first hand, instead of totally through classroom materials. These students really enjoy sharing their backgrounds with others. Under the direction of Mr. Otero, their role in the school will continue to grow.

Students refresh grammar skills in Spanish 5-6.

Doing The Best Job

Let's assume that you are one of the approximately 3000 students studying mathematics at OPRFHS. You have chosen your course from the variety of courses ranging from Arithmetic to Calculus BC, that is being taught by one of the 24 enthusiastic instrutors. You might even be one of the 500 students taking Computer Programming, either as an elective or as a supplement to your Geometry Honors or Advanced Algebra class.

Out of 3000 students, a subset of ten students is selected to participate in the Santa Clara test. These students plus others also take part in the Mathematics Association of America contest. Every year since 1958 OPRFHS students have placed Oak Park in the top 10% of the state. In addition to high scores on the Santa Clara and MAA exams, students taking the AP exam for Calculus have a 90% probability of receiving college credit and, or advanced placement in college.

After considering all of the above factors, you can conclude that the Mathematics department is doing the best job for its students.

History Focuses On Bicentennial

The History Department chaired by Mr. Gerald Greer offered a wide range of subjects this year. Three sections of American History AP were started to meet the increasing demands of the students. Of the 46 students who took the American History AP exam last year, 43 scored "3" or better out of "5" possible.

For the Bicentennial year American History classes stressed the study of the American Revolution and local history. Teachers remarked that students in their American History classes were more interested this year because of the Bicentennial celebration.

No new teachers joined the History faculty but Mr. Tom Graziano of Special Education exchanged departments with Mrs. Frances Steinberg of the History Department.

Art Abounds With Imaginative People

The art courses have become more popular than in previous years. All the art foundation classes were filled this year. The OPRF art department is one of the best art departments around. The students are able to develop their artistic talent, because of all the opportunities that the school offers them, such as the mini classes offered after school. These classes were open to students and faculty. Some of the mini classes were: photo silk screen, quilt making, clay work, and drawing. These courses helped the students to experience working in several different fields of art. The new piece of equipment the art department acquired this year was a combination press machine for wood. This will help the printmaking students. Three new courses were added to the art department: Silk Screen, Block Printing, and Printmaking.

English Dept. "Revitalizes 'B' Program"

The English department this year worked on "revitalizing" the program for basic students. English "B" teachers formed a committee to look at the overall objectives of the program. They concentrated mainly on freshmen "B" classes.

The English department has also gone one step further with their freshmen curriculum. This year the reading and speech specialists and the speech therapist visited all freshmen English classes. The mini-units which were taught emphasized good reading, and called attention to the need for complete sentences.

Mr. Carroll Anderson is the new head of the English department. Mr. Anderson was assistant chairman for several years prior to becoming chairman. About his new role he said, "It's something new, different, challenging, and often times rewarding." The new assistant to the English chairman is Mr. Don Offerman.

Mr. Anderson remarked that many English classes went on field trips this year. The number seemed to be larger then ever before. The class trips led students to various interesting places. Mr. Rehkopf took his American Lit. class to Crabtree Wildlife Sanctuary, Miss Schnede took her Eng. 3 class to a production of "Midsummer Night's Dream", Humanities classes with teachers Mr. Reichard and Mr. Granias went to the Opera, and Mrs. Batz took her Journalism class to the Tribune.

Three new teachers joined the department this year. The teachers are Miss Becky Leach, Mr. Ted Demos, and Mr. Bill Lovaas.

Girls' P.E. Improves

Miss Olga Victorik, chairman of the Girls'Physical Education Department thinks that Girls' P.E. gets better and better every year.

Two new courses were added this year: Dances of the Middle East (afternoon only), and Self Defense & Fitness. Two co-ed clasess, Ice Skating and Dance of the Decades, were also offered. The Girls'P.E. Department acquired a new gymnastics mat and a volleyball net with standers.

This year, fewer girls cut P.E. because they get to choose what they would like to take from eight different activities each six weeks.

Girls' P.E. welcomed back Miss Diane Hearn who was away on sabbatical last year.

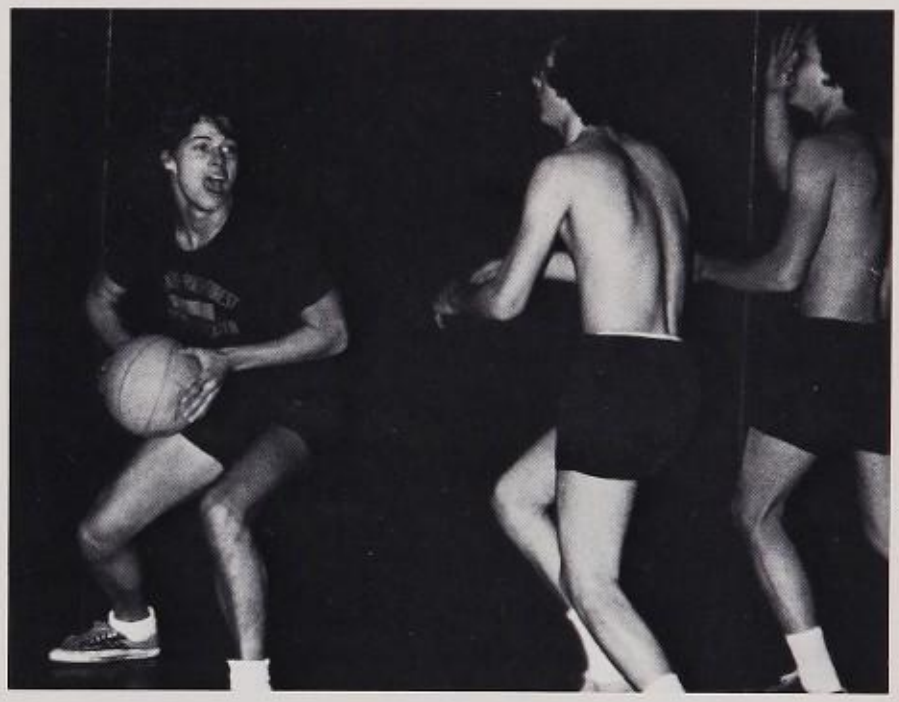
Boys Get In Shape

The Boy's Physical Education Department, which has been a model for many schools across the nation in the past, enjoyed another fine year.

Under the leadership of Mr. Robert E. Wehrli, the department combined getting and keeping in shape with fun and games for the boys not participating in interscholastic sports.

Notable activities included ice skating at Ridgeland Commons. The class, introduced last year, meets 3 times a week, two periods a day.



John Gigg, John Blommaert and Bill Goulding jogging around the field house.

Home Ec Emphasis On Careers

This year the Home Economics department introduced three new courses. Exploring Home Ec 1 & 2 explores four major areas — foods, clothing, childcare, and housing and interior design. Another new course is Creative Needlecrafts, which covers knitting, crocheting, needlepoint, and embroidery. Home Ec Cooperative Education involves working at a job related to Home Economics.

Home Ec classes have gone on many interesting field trips this year. Housing and Interior classes this fall went to see the infant welfare showcase house, and also went to the American Furniture Mart. Creative Needlecrafts and Family Clothing both went to a Holiday Craft Workshop at Minnesota Fabrics. Home Ec Coop. visited a nursery school and the school cafeteria, and planned to visit Nielson's restaurant and Gilmore's.

Two large projects that went on during the year were the Holiday Bazaar, and the Family Foods mini-restaurant. The Holiday Bazaar was held in December to raise money for the department. The Family Foods mini-restaurant called the "strawberry patch" prepared and served lunch to 24 people once a month, 2nd semester. All preparation of food was handled by the students.

Mrs. Mary Wiberg, chairman of the Home Economics Dept. said she felt emphasis in her department was changing from the family to more of a career orientation. Proof of this might be by boys entering Home Ec. courses, such as Clothing, Home Ec Coop., Experimental Foods, and Housing and Interior Design. Nine boys are in these classes.

New teachers in the department are Mrs. Elaine Martellotti, and Miss Helen Gerken, who was a Vocational Counselor at the school before joining the department.

Mrs. Martellotti teaches Family Living.

Industrial Arts Teaches Skills

What goes on in different Industrial Arts classes may be unknown to many students not involved in these courses. Metal-working, one of the most interesting courses in the department, deals with metals. Students are expected to do welding and foundry work, which is pouring hot metal into casts. Plastics, another course, uses compression and injection molding machines. The machines are used to form various creative projects.

Architectual Drawing students made a model of Unity Temple which is on display in Frank Lloyd Wright's drafting room for visitors to see. In addition to that project, four Oak Park students made a model of Wright's Frank Thomas house which is on Forest and Ontario Avenues in Oak Park.

Possibly the most popular course in the school, according to department chairman Mr. Byron Urbanick, is Auto Shop. This naturally involves working with cars.

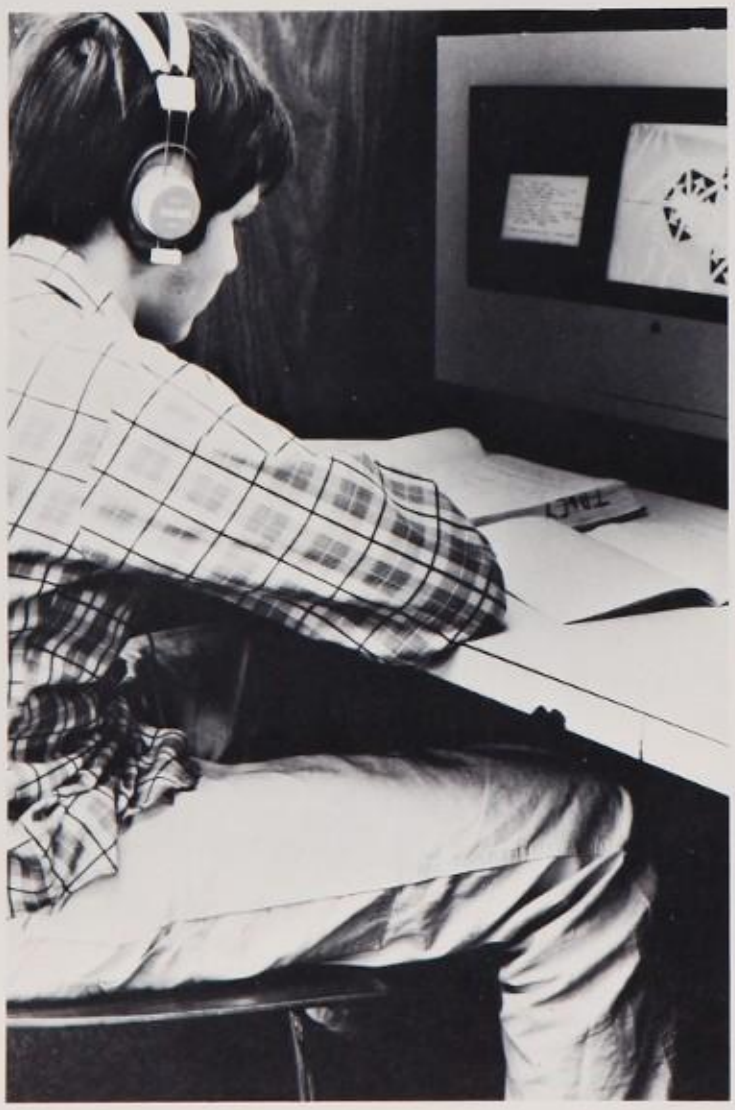
A.V. Under New Leadership

This year the Media Center welcomed Mr. Charles Kauderer as its new department chairmen. Mr. Kauderer is very enthusiastic about the library and its resourses which he called "quite exceptional".

One thing Mr. Kauderer hopes to change is the attitude of some of the students who don't understand the roll of a school library in their lives. He intends to bring home to them the vast resources they can enjoy if they use the library as a study aid rather than a social club. Mr. Kauderer, though, speaks in superlatives about the library and its staff.

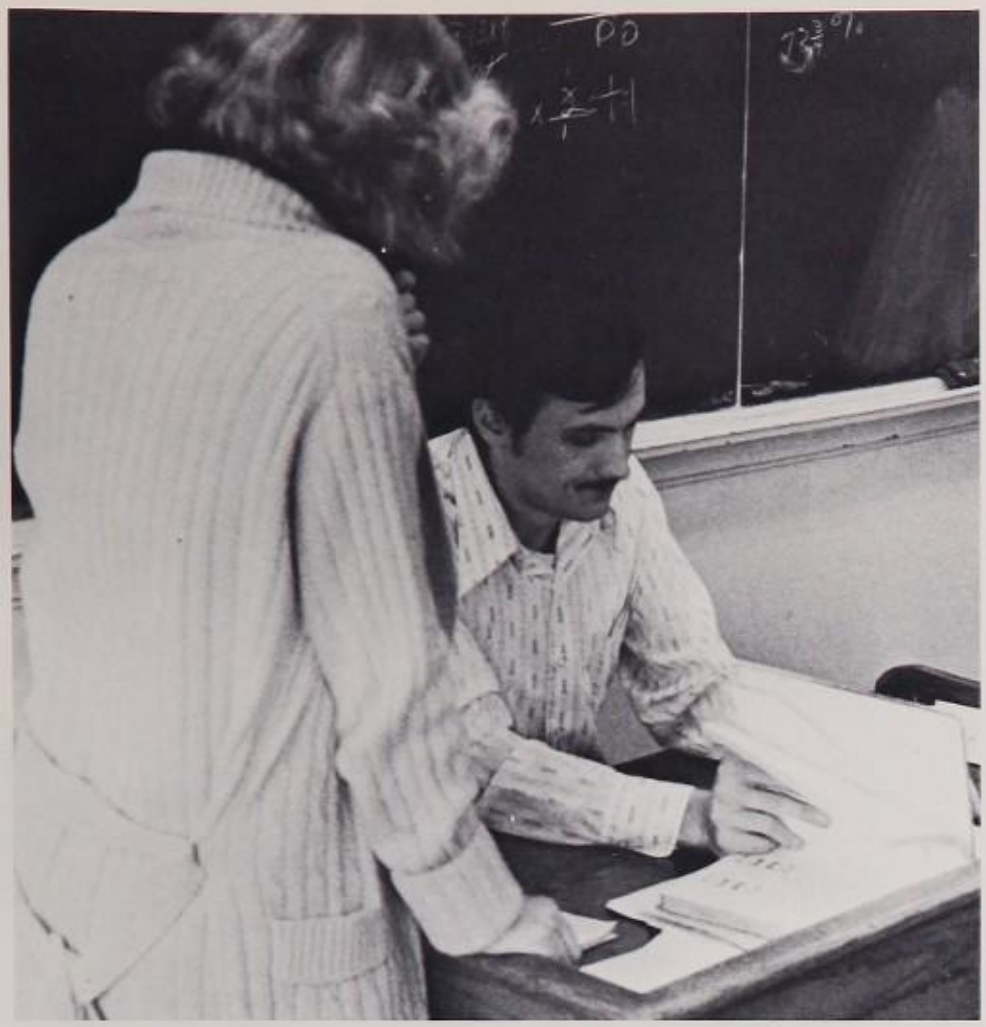
The new faces added to that staff this year are Mrs. Cynthia Maziarka, and the familiar face of Mr. Weiman returned from his year long sabbatical. Miss Carola Kanaya has also been added to the Photo Staff this year.

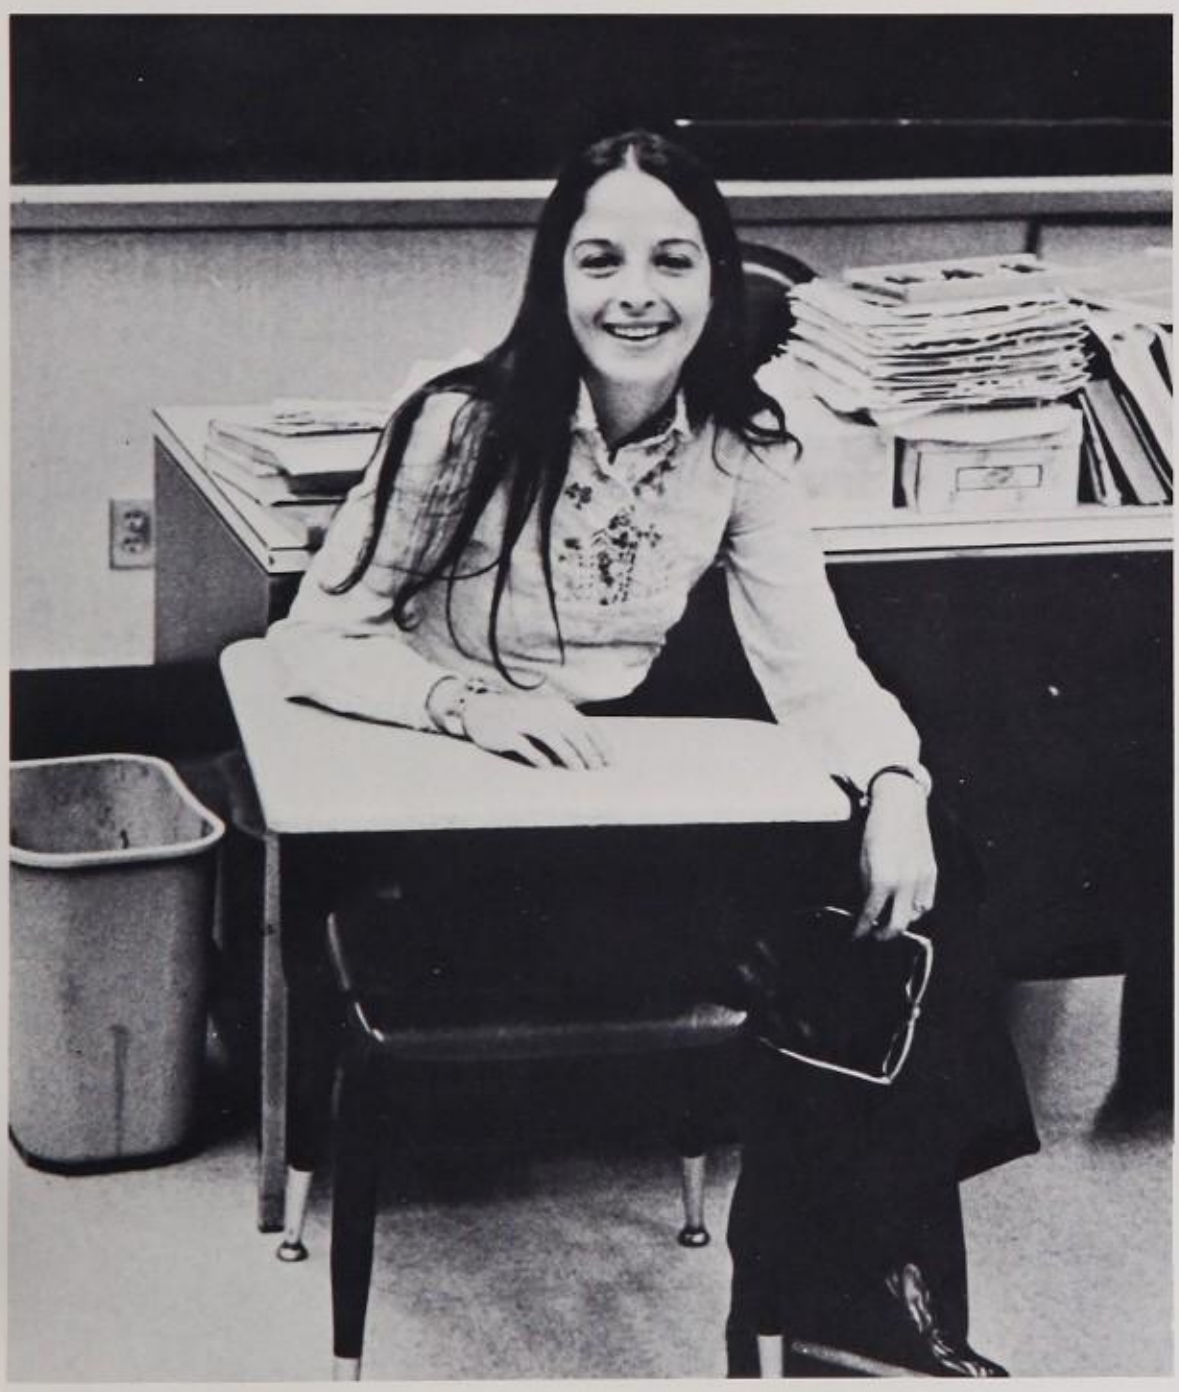


Marguerite Saecker and Grace Palutsis enjoy a chat.

Tom Steele makes use of the retreival center.

Gary Holm-Bertelson keeps busy with audio-visual equipment.





Special Education Helps Students

Special Ed. has continued this year to help students grow and learn. The many oppurtunities open to these students is not known to the rest of the school.

One hundred and fifty students participate in the three programs offered. Students receive help from the staff in special classes. However, many students also attend regular classes.

The department chairman, Mr. Hamilton, has new ideas for his department. He would like to add a program for students with behavioral problems. He would also like to add a Department Research Consultant to work with the regular faculty to spot students with minor learning disabilities.

This year Miss Potter and Ms. Karen Green, social worker, and Mrs. Fran Steinberg, who has taught regular classes in the school, have joined the Special Ed. staff.

Business Dept.

The Business Education Department continues to give many students the training they will need for future jobs. Mr. Green, the new chairman of the department states, "There is always something new and exciting happening here". He is right as many students are getting involved beyond the classroom level. In Office Procedures, taught by Miss Kotas, a model office has been formed. It is called the Lester Hill Corporation, and the students each play a different role in the running of the business. These roles correspond directly to the ones needed to run a corporation, so students have practical experience in an "office" even before they look for their first job. Mr. Pirrello, also new this year, heads DECA club, which is a branch of the Distributive Education class. These students sold pumpkins at Halloween and are planning other activities where they learn techniques as they make a profit. As more students realize the benefits of office training, our Business Dept. will be an even greater asset to O.P.R.F.

Driver's Ed Has Another Safe Year

The OPRF Driver's Education Department again this year had a fine safe year.

Under the direction of Mr. Harold Boyd, the department facilitated video tapes, films, diagrams, textbooks, and traffic situation simulators to assure the production of safe, confident drivers.

Besides students from OPRF the Driver's Education Department also taught students from Fenwick and Trinity High Schools, plus adults who had not yet learned the skill of driving.

Due to the precautions drivers took, the rate of accidents decreased in Oak Park this past year.

XP Offers Alternatives

The purpose of XP is to give the students an alternative way of learning.

This year XP had five teachers, three student teachers and numerous resource people. They provide the students with classes, independent studies, common experiences, field trips and volunteer work studies. The staff works as a team. Every morning they get together to talk about students, staff, and parent issues.

XP grew out of the interest of parents and students who wanted a different way of obtaining a high school education.

XP has its own office, two classrooms, an arts and crafts room and a music room. The XP students have their own separate entrance because of the various times that the students come to school.

Winning Season For The Huskies

After losing four of their first five games in the 1975 football campaign the Huskie players and coaches set as their goal "a winning season." This goal was accomplished as they won their last four games, to finish the season with a 5-4 record. The Huskies record against league opponents was 5-3 as they finished in a fourth place tie in the tough West Suburban Conference.

The Huskies only pre-Homecoming win was a 20-13 victory over traditional rival Proviso East. This victory came after two close losses to Lyons Township and Hinsdale Central. The Huskies lost these games 7-0 and 7-6 respectively, but weren't outplayed in either one. The two games after their victory were a 9-6 overtime loss to nonconference opponent Hinsdale South and a 19-8 loss to Conference champion Glenbard West.

Homecoming brought out the fans and the spirit, and the Huskies responded with a victory over the Proviso West Panthers to start them on their way toward "a winning season." The biggest upset of the year came the following week as the Huskies dominated the whole game in a 24-7 victory over Downers Grove North, a team that was rated one of the top ten teams in the area before the Huskies' victory. The season was climaxed in the final game of the year after the Huskies downed York 16-6 the previous week. In the final game the Huskies scored the most points in one game while beating Riverside-Brookfield 44-30. It was a great season.

Standouts for Mr. Edward Zembal's varsity squad were seniors Tom Gajewski at linebacker, Derek Brewer at split end and defensive back, Jeff Pearsall at QB, Tony Russo at tackle, Jeff Herner and Bob Quinn in the offensive and defensive backfields, Phil Gonwa and Jerry Stella as defensive ends, and Ed Kartheiser who missed the second half of the season after sustaining a leg injury.

Junior standouts who will be back next year to help anchor the varsity squad were Greg Oltman at halfback, Jim Woods at tight end, Marcos Blanco at linebacker and Owen Beacom at fullback. Beacom scored all 20 points in the Proviso East game and 26 points in the last game of the year on his way to a league leading 76-point season. These juniors and others combined with a sophomore team that was co-champions in its conference should make it an exciting 1976 season.

Replogle, Elbert, And Nelson Collect State Crowns

"Naturally we'll miss the seniors, they have been a key factor to our success for the past four years. Hopefully the younger players will be inspired to do as well."

This was Coach Joyce Carlson's reaction to this year's graduating tennis team members. By now it's a well known fact that the girls' tennis team won the state tennis title. They owe this to five girls: Janelle Barclay, Jean Barr, Lynn Elbert, Mary Ann Nelson, and Suzie Replogle. Elbert and Nelson won the state doubles championship. Replogle won the state singles championship for the third time in four years!

This years' tennis team displayed enthusiasm and an eagerness to work. In fact, over half the regular team took a Friday off school and accompanied the state team to the championships.

Perhaps the reason for their success in tennis is that the girls play all the time, especially during the summer. Quite a few of the girls belong to tennis clubs, others go to tennis camps, and Suzie Replogle plays on a city team. So all in all the tennis team is quite busy, enthusiastic, and they are dynamite tennis players.

Harriers Finish Season Strong

Ralph Motto leads the pack.

The OPRF Harriers, who were powerhouses in the old Suburban League, fell off a little this year as they entered the tough West Suburban Conference and dropped to a next to last place finish in league meets. However, well prepared by Coach Gummerson, the OPRF runners finished third in the district meet and qualified for the sectional. The OPRF team didn't have any runners qualify for the state tournament, but they had a respectable showing in the toughest sectional in the state.

Leading the pack for the Huskies most of the season was MVP Ralph Motto with Rick Way, Dave MacWilliams, Jim Ferrone, Brian Sullivan, Tim Barany, and Marty Ripp right behind.

Next year the Huskies will be captained by Tim Barany and Brian Gallagher. These two runners should lead the Harriers to another good season.

Soccer Team Best In Years

The Varsity Soccer team finished their season with a record of 10-6-3.

They started off cold posting a 0-3-3 record. But then they turned hot and won their next five games and wound up the season a half game behind Hinsdale Central, the potential state champs.

Special recognition should go to Dom Bredy and Rich Mufuka who won All-State titles. Also to Pete Groeneveld, Scott Swanson, and Terry Sheehan who won All-Conference titles.

The Varsity team next year should be even stronger then this year's with many star players returning like Dom Bredy and goalie Ken Butzen. It will surely be another exciting and promising season for the soccer team.

Hockey Gals Exhibit Spirit!

"For the most part they were a crazy group, a good combination of humor and work," says Coach Mary K. Brown about this year's field hockey team.

This was the first year a State Tournament was held for girls field hockey. Oak Park was knocked out of the sub-sectionals by Chicago Latin with the close score of 1-0. Neither team scored at all during play until the end of the game.

The 0-0 tie resulted in five penalty strokes for each team. Chicago Latin scored their winning goal on one of these strokes. "There isn't anyone who didn't play well in that game," concluded Miss Brown.

Assistant Coach Pat Brown says that most of this year's J.V.'s were "freshman and sophomores who picked up the basic skills so next season we won't have to start from scratch."

Outstanding seniors are: fullback Jackie Marshall, halfback and M.V.P. Diane McDonnell, and goalies Margaret Anderson and Nancy Pigoni.

Golfers Improve

The golfers started slowly but improved as the season progressed and finished with a 4-8 record and a seventh place finish in league competition. They had an average team score of 404 compared to champion Hinsdale Central's 379. The golfers improvement showed in district competition as they finished ninth out of seventeen teams.

Kurt Bollnow, pictured at right lining up his shot, was voted MVP. He has an average of 42.2 for nine holes and was only a junior.

Water Polo Team Finishes 2nd In State

The 1975 Oak Park-River Forest water polo team started off slowly but built up to an exciting climax as they placed second in the state behind Mt. Carmel. They came close, losing 11-10 in the championship game.

The team started off the season by placing 7th in the Mt. Carmel tournament.

From there they played excellent water polo as they decisively won most of their games.

For the season the tankmen were 18-6, but in their conference they were undefeated.

The team was led by all-staters Bob Hahn, the team captain, along with all-staters Paul Eckenroad, and Goalie Pat Farrelly.

Jim Farrelly made second team while Carlos Lage got an honorable mention.

Swimmers Ahoy!

"The girls performed exceptionally well this year," says swim Coach Mary Lou Nichols. "We have thirteen freshmen which means we have three good years ahead of us."

Mrs. Nichols has coached the girls' swimming team since interscholastic competition began in 1971. She is assisted by diving Coach Sharon Stangel.

This season proved to be a challenge for the girls since it was their first year of State competition. The Oak Park girls qualified five swimmers and one diver for the State meet and ended their season with a respectable 6-4 record.

Outstanding plaudits go to freestyler Linda Porch who was honored with The Gloria June Olson Award for her exceptional execution of the butterfly and to top diver Patty Kearins.

Spectacular Season For Cagers

Before Mr. Tom Meyer arrived at OPRF, a basketball victory was as scarce as an honest politician. But with the assistance of Mr. Graziano and the support of the student body Mr. Meyer gave OPRF one of the best basketball teams ever to come out of this high school.

Coaches and fans contribute plenty to a winning season, but without good players their hard work and inspiration is worthless. OPRF was lucky enough to have a group of outstanding individuals who, when comprised as a team, produced one of the best teams in the state, as well as some of the best individual stars. Chuck Dahms, one of the best high school centers in the Mid-West, was one of these individual stars. He set a school record in rebounds and made All-Tournament teams at Thanksgiving and Christmas. Joining Dahms as a consistently high scorer was backcourt star Tom Norris. Norris and Joe Hedger gave OPRF one of the best guard combinations in the state. Finally finishing out the starting five were the two big forwards John Hendricks and Courtney James. They didn't score that many points but they pulled down rebounds, drew offensive fouls, and intimidated opposing players. The bench, led by Rod Underwood, a junior guard-forward was so good that at least eleven men played in every game.

Mr. Myer's team won 15 of its first 18 games, and finished second in the St. Pat's turkey tourney and fourth in the sixteen team Pontiac Christmas tournament. Other highlights of the season were a victory over Fenwick on Chicagoland television and a weekend when they beat league rivals Hinsdale-Central and Lyons Township on back-to-back nights. They also beat Proviso East and Proviso West on consecutive nights.

Swimming

The 1975-76 Swim Team came off two early losses to Carl Sandburg and Fenwick High Schools and won seven straight meets on its way to a productive season.

Among the leaders of the team were Bob Hahn, Carlos Lage, and Pat Farrelly who all swam breatstroke, and Paul Eckenroad and Jim Farrelly, who swam butterfly.

The team also included freestylers Steve Citari, Mike O'Connell, and Chuck Kerr, along with backstrokers Tom Audino and Charlie Groen.

Huskie Gymnasts Beat Hinsdale

The 1975-76 OPRF Varsity Gymnastic team reached a long awaited goal on January 30, by defeating Hinsdale Central 157.70 to 156.75. In their first year in the West Suburban conference the Huskies put a stop to Hinsdale's run of sixty-one undefeated conference dual meets.

Looking to next year, the Huskies will have to perform without the services of eight graduating seniors: Don Osborn, Andy Isaacson, Steve Waichler, Eric Marshall, Joe Weigel, John Seminerio, Bob Bastian, and Matt Gawne. Although the Huskies lose these talented individuals, returning juniors Troy Chovan, John O'Toole, Martin Gonzalez, Pete McLauchlan, Harold Dardick, Mark Koch, and Bruce Mason will give the '76-'77 varsity a solid base from wich to work.

Huskies Grapple Their Way To Victory

The Varsity Wrestling team had many individuals who had steady performances all year long. Seniors Derek Brewer, Oscar Ordonez, and Tony Russo won consistently in dual meet competition and in tournament play all season. Other seniors who had fine seasons were Roger Baer, Cliff Bolen Jim Ellis, and Brad Killion. Many underclassmen proved that they were varsity level wrestlers. Juniors Bill Barnhisel, Tom Norton and sophomores Ted Kessler and Mike LeMaire helped add points to the teams score in every meet. These underclassmen plus the sophomores and some very good freshmen wrestlers will make up the nucleus of next year's team and grapple their way to victory!

Bump, Set, Spike

The Huskie volleyball girls ended their season with a favorable 8-5 record and shared fourth place with Downers Grove North in the West Suburban Conference.

Oak Park was knocked off the State bound ladder after losing 21-19 and 20-11 to Morton East in Districts.

The freshmen displayed exceptional volleyball ability and dominated six varsity positions. "With all the youth we had this year," comments Coach Joyce Carlson, "next year's team should be even stronger."

Volleyball's super-seniors were: Janelle Barclay, Dar Boezio, Bridget Kernan, and Kate Mahalek. Head Coach was Miss Dorothy Abbinanti.

"We're working this year on P.M.A. (Positive Mental Attitude). This is our theme and I think the girls are very enthusiastic. We bring it up all of the time. Girls' B - ball

The Leaper Machine, the Circuit, and a fifteen minute, non-stop cardio-vascular exercise (loathed by the entire team) are some of the daily drills imposed upon member of this year's Huskie girls' basketball team.

According to head coach Miss Mary K. Brown, these drills "improve explosive power as well as the strenghtening of legs for speed."

In the past, the Huskie girls have made up for their lack of height with sheer speed and captured the Suburban League crown twice in a row with a second seat last season.

This year, they combined their swiftness with a three-inch increase in average height, abandoned their trademark as "the shortest" team, and prepared to face tough competition in the West Suburban League.

Senior Superstars are: Bridget Kernan, who averaged fourteen points a game and according to Miss Brown, "is just a natural," Kate Mahalek, Sue Butler, Kathy McCabe, Michele Mitchell, and Ginny Hedger, where B-ball ability seems to run in the family. Junior varsity coach was Dorothy Abbinanti.

Optimism Abounds In Spring Athletes

The warm days of April chase the OPRF athletes outdoors every year with hopes of state championships. This year was the same as usual and many of the teams had good reason for optimism.

The girls' track team, winners of the state title in 1975, returned this year with an almost identical line-up with hopes of repeating as state champs. The boys' track team, which had a very fine indoor season, were hoping that they could carry their winning attitude outside.

The tennis team with Carl Good, Dan Lynch, Bruce Barclay, Alan Blankshain, and the number one player in the U.S. (fourteen and under division), Bruce Brescia were hoping to fight for the conference title with Lyons, R-B, and defending state champion, Hinsdale Central.

The baseball diamond figured to be a winning scene this spring. The girls' softball team benefitted by the addition of their new athletic field. This gave them the chance to play more home games than in previous years. With returnees Derek Brewer, Jack Yong, John D'Alexander, and others, the baseball team looked forward to the start of their season with optimism.

The only indoor sport was girls' gymnastics. Most of the team members were freshmen and sophomores. The West Suburban Conference demanded that this year's varsity gymnasts perform optional routines instead of compulsory. This routine change increased the competition, however, like all other spring teams, they looked forward to the season with hope and optimism.

Rah-rahs

The varsity and sophomore cheerleaders demonstrated traditional Huskie enthusiasm by getting the crowds in a rowdie mood.

The Pom Pon squad displayed spirited half-time entertainment this year by applying new steps and formations which were learned at Pom Pon camp and clinics. They placed second in the novelty competition at Willowbrook High School and joined the cheerleaders in promoting school spirit during pep rallies.

The soccer cheerleading team cheered for victory at both home and away games. The captain of the squad was Allison Houha.

Dear Tom,

have i ever told you that i think your name aught to be Billy. it doesn't really matter of course, but you know, i like to be comfotable around people. How is margy? or martha? or whatever the hell her name is? listen: when you arrive and you hear somebody yelling "willy" it'll be me that's who... so c'mon, there'll be a car and a party waiting. It'll be very easy to single me out, so don't say you didn't know i was there.

gratefully
truman Peyote.

WITH ALL RESPECTS TO BOB DYLAN.

The Spirit Of '76

1976: Oak Park River Forest High School's 100th graduating class graduated this year. For the Class of '76 "the game" at O.P.R.F. has ended. The year will be remembered by many activities in which Seniors were involved, including two Senior dances, Gym Night, the Blood Drive, and the Senior Dinner. The Class of 1976 will also remember what they did to stay in "the game" even though "Senior slump" arrived in October. Seniors prepared for jobs and filled out numourous college and scholarship applications which were all part of "the game," as well as keeping up with school work.

1976 will also be remembered as our nation's 200th birthday. The Seniors remembered the Bicentennial in October with their prize-winning "Spirit of '76" Homecoming float. This year's Decade Week remembered the Bicentennial in the many events that took place during that week. Seniors were reminded of the "Spirit of '76" throughout the year.

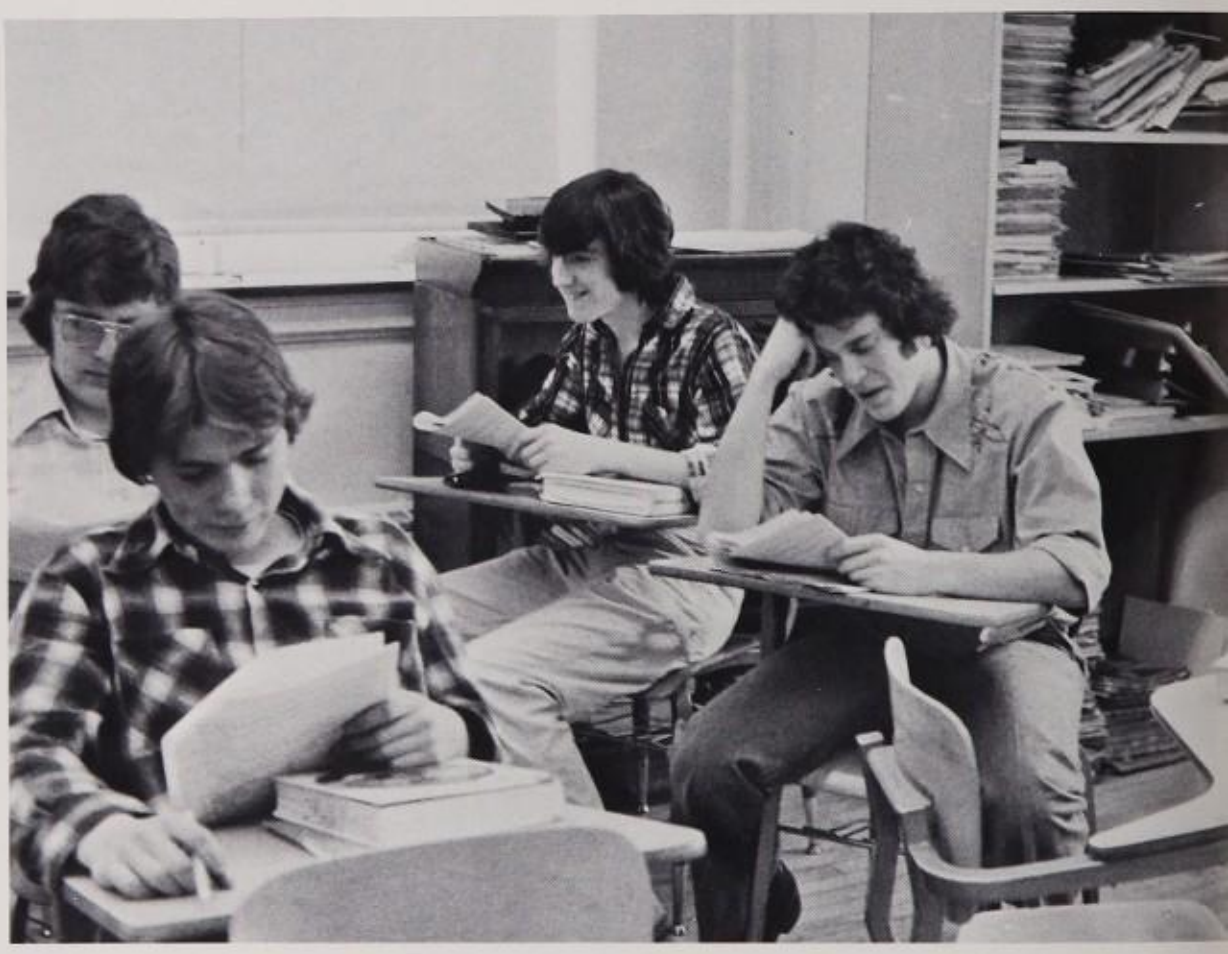
Test, Fun And Games For Juniors

Juniors had a "Monopoly" of activities to choose from. Among these were the Junior class carnival and the Junior-Senior Prom, planned entirely by the Junior Class Council.

"Concentration" and hard work determined the results of the PSAT, ACT, and SAT tests, taken during the year by college-bound students. College callers gave students the chance to meet representatives from colleges around the country. They gave out information to aid students in planning which college to attend.

Students took a "Risk" every time they ditched a class for fear of losing their Option period. The Junior-Senior Option program was revised this year in order to insure that students would go to their classes. If a student failed a class, his option would be taken away from him and a study hall put in its place.



Junior Class Council members: Kathy Duffy, Mary Staunton, Karen Baehler, Suzy Hamen, and Betsy Hanisch listen to council plans.

John Christian, Tom O'Malley, Ed Spevak, and Mark Thompson study their American History.

Mary Ann Nelson is ready and waiting.

Sophomores Play "Let's Make A Deal"

This year found many sophomores playing "Let's Make a Deal." Through Driver's Ed. many sophomores got their permits, which meant they could practice driving with their parents. The problem, however, was convincing their parents to let them drive. In order to get the car and their parents out to practice many sophs had to make deals. After much practice many of them got their licenses.

Besides working on their driving skills, sophomores participated in many fund-raising activities. Hard work and fun helped to make a successful carwash and bake sale. Tee shirts and "Super Soph" buttons were sold.

Hard work and perseverance helped the sophomores make the year a successful and memorable one. They will look back and remember struggling to get the car, and the sigh of relief when they finally got their licenses. And when they remember soaked jeans and last minute baking they will look back on the year as a real super sophomore year.

Kris Wolfkiel, Tony Villasenor, Dave Hoffner, and Henry Veldenz take a cookie break from their classes.
William Smith poses for a candid shot.
Tom Cortese stops for a cool drink.
Ruth Heigho, Sharon Sudman and Darlene Shonder relax in the south cafeteria.

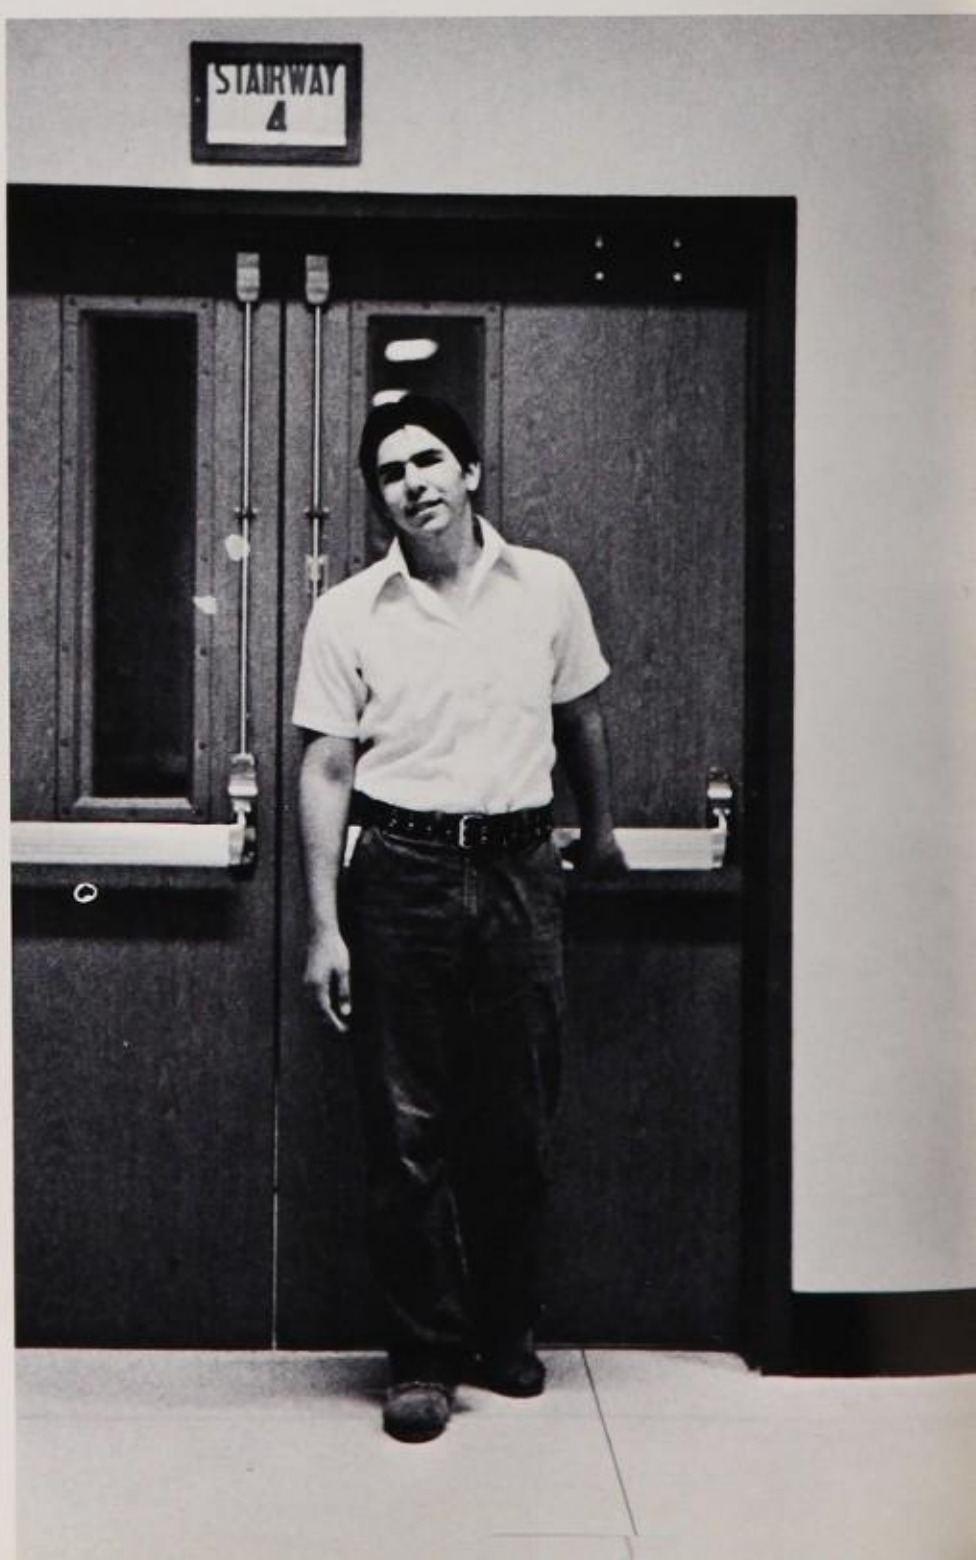
Frosh Learn Games

Now that they have learned to "Beat the Clock" high school style, the freshmen can look back upon the year and smile. They can laugh when they think of rushing to get changed after gym. They may remember those who weren't too coordinated and who hurried to their next class with their shoes untied and their hair a mess. And maybe they'll remember the days when they waited all period for their lunch only to discover that they didn't have time to eat it. Some will recall rushing to get to school on time and then finding out it was late arrival day. Fearing they'd be late if they stopped at their locker, many freshmen seemed to carry every book they owned to class. Then there were the days when the schedule had been changed and many freshmen ended up in third period instead of seventh period. Or how about all the trouble freshmen had trying to figure out when they were supposed to go to A-Period.

Well, if any of the mishaps or embarrassing moments spoken of ever happened to you, don't feel stupid or silly. They happened to just about everyone who's ever been a "Frosh" and you can be quite positive that they'll continue to plague the freshmen each year. After all, it wasn't that bad.

But once the newness wore away, the freshmen soon got involved with various activities. During Homecoming week, the freshmen captured the honors for "Deck the Halls" day for their outstanding initiative and drive. Therefore, looking back on this first year, even though there were a few rough spots, the freshmen have a solid beginning behind them with which to face the next three years here at Oak Park River Forest High School.



Stephanie Marshall and classmates rack their brains in math.
Jesus Blanco makes his entrance.
Jackie Hassard, what are you giggling about?

Tisha Doody listens closely so she doesn't miss a word.

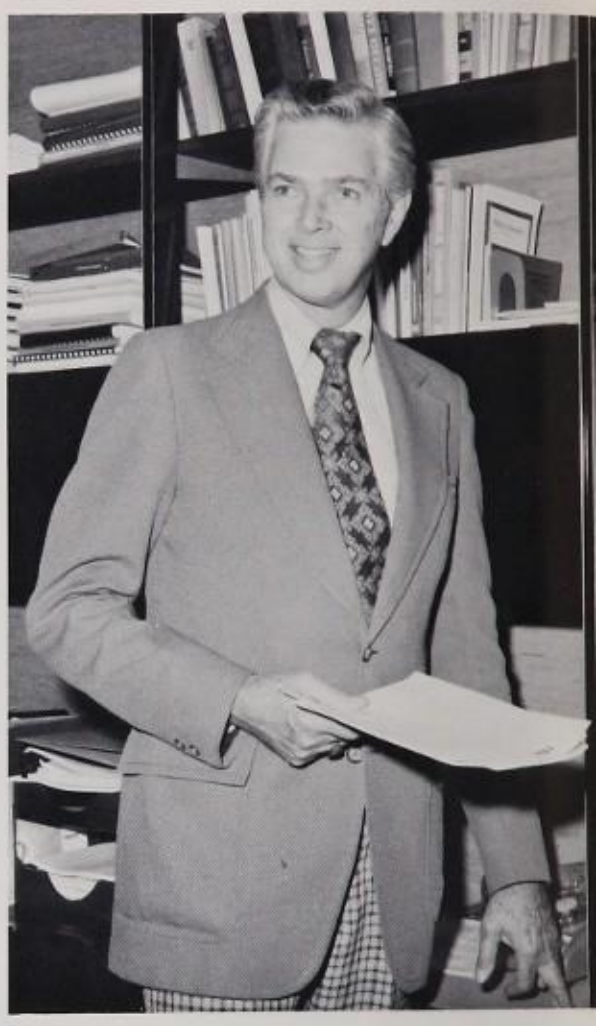
OPRF Administrators Look To Future

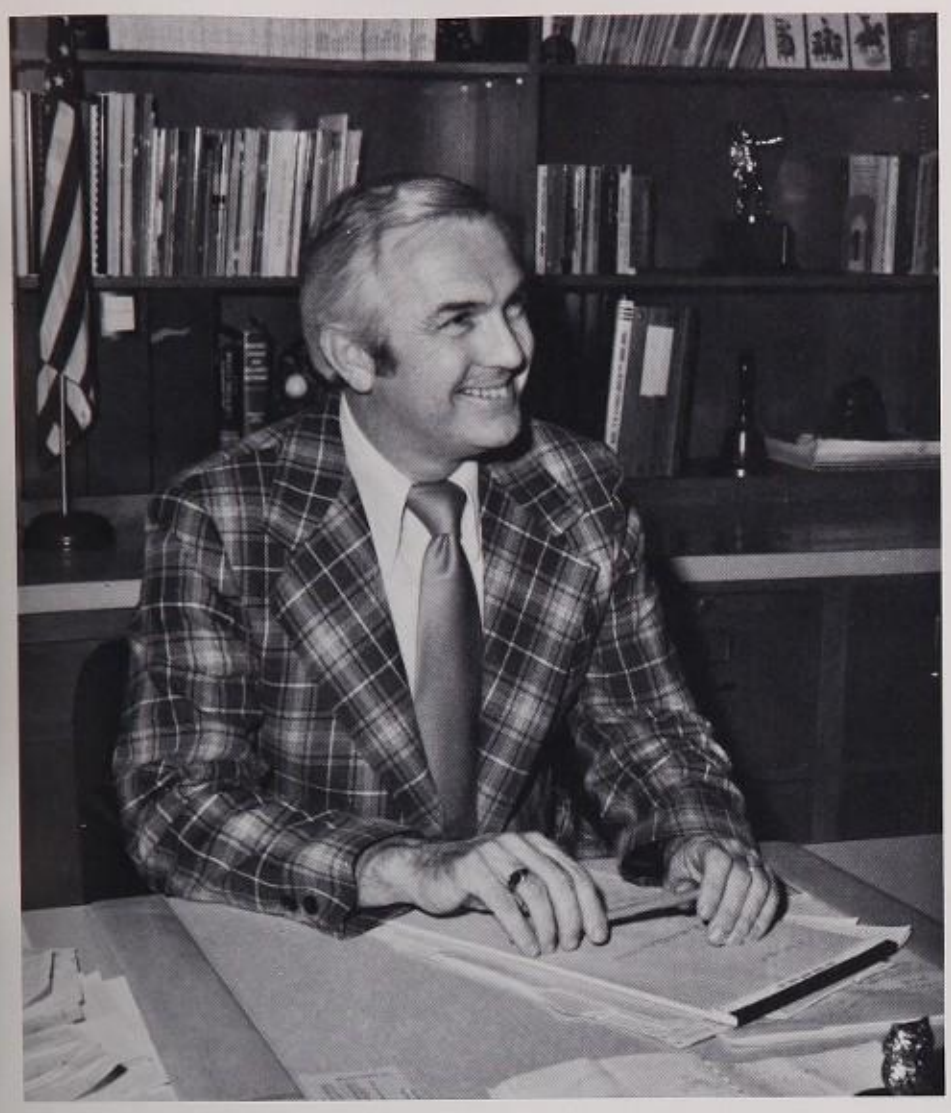
Dr. J. Swanson — Superintendent: "For more than a century this school has been synonymous with excellence in education. This standard pervades the multifaceted program offered to students today. As we seek to respond to the needs of a changing world and a more heterogeneus community, our commitment to high expectations must not waver. The viability of this community depends upon the quality of education provided here."

Mr. E. Volkland — Director of Personnel: "I believe that OPRFHS will see a continuing increase in emphasis upon courses resulting in saleable skills through vocational and practical arts."



THE 1975-1976 SCHOOL BOARD: (Sitting L. To R.): Mrs. Ruth Luthringer — Vice-President, Mr. Thomas Lynch — President, Mr. Arthur Replogle — Secretary. **(Standing L. To R.):** Mrs. Nancy Waichler, Mr. Jerry Mackey, Mr. Harold Rohlfing, Mr. Carl Tamminen.

Dr. R. Botthof — Principal: "One cannot see or touch the great traditions of humanness and academic excellence characteristic of Oak Park and River Forest High School, and still they exist. I have faith and confidence that the years ahead will reflect this same spirit."



Mr. J. Edwards — Business Manager: "Excellence in educational opportunities will continue to be the goal sought by this high school. Facilities will change to meet needs, staffing will reflect contemporary educational requirements, but the main ingredient will be students imbued with a desire to capitalize on the resources available."

Mr. R. Jensen — Director of Programming: "Our school will be a more interesting and exciting place than it now is because members of our school family will have attained a greater degree of respect for one another, which will in turn foster a heightened level of cooperative spirit."

Mr. R. Ebel — Assistant to the Superintendent: "Oak Park and River Forest High School has a bright future, limited only by the imagination and dedication of all segments of the school community. Continued improvement should be the goal of all concerned."

Two Teachers Retire After Many Years At OPRFHS

Thirty-seven years ago Mr. Arthur Pelz came to OPRFHS. In one short year he was appointed chairman of Oak Park's art department. Under his direction many new art programs have started such as print making, crafts, sculpture, and jewelry.

The area of the art department has increased also. Mr. Pelz has expanded his art rooms. Because of remodelings the size of art department classrooms have increased and decreased. The original art department classrooms located on the fourth floor had only small desks for drawing purposes. The department then changed floors from fourth to third.

The current suite of art rooms was designed by Mr. Pelz for the 1968 remodelings of the entire building. Mr. Pelz worked with the architects in deciding furniture, wallpaper and general appearence.

He was also very active in the designing of the auditorium. Mr. Pelz has helped with over eighty shows put on by the OPRF drama department. His department helped design the programs and design the sets.

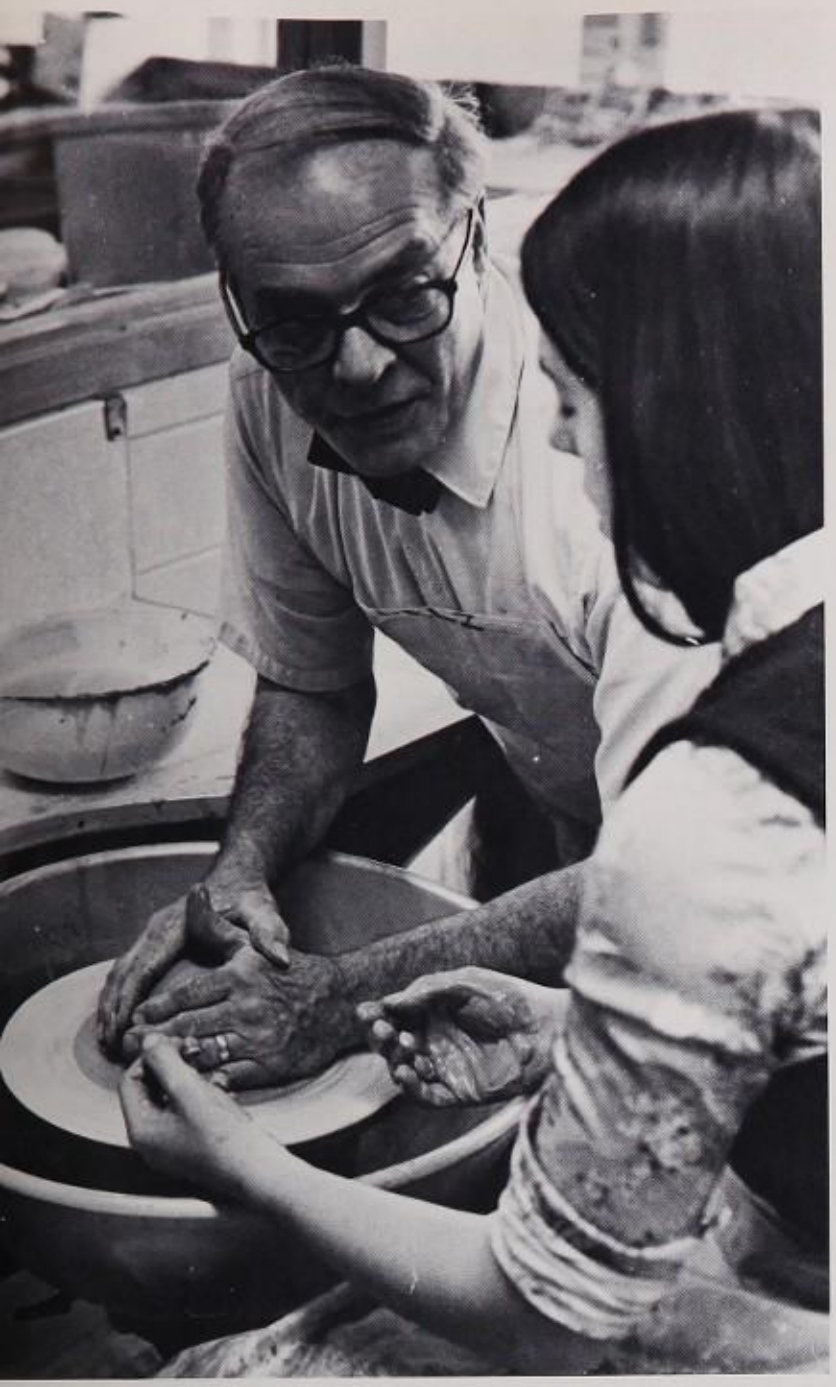
Through Mr. Pelz's efforts art has become more noticeable in OPRF's corridors. Lining the halls are student done art pieces. Pictures from the Village Art Fair can also be found on the corridors' walls. Working with the Village Art Fair, Mr. Pelz has started a well known and liked program, "Meet the Artist."

As active as Mr. Pelz is in art at OPRFHS he has been very active in other programs. He has held various positions on the Village Art Board, Village Art Fairs, Illinois Educational Assocation, West Art Association, and the National Art Association. Mr. Pelz has not had very many idle years while residing in Oak Park and teaching at the high school.

Mr. Siler has taught here 21 years. Although French was his main subject, he also taught Spanish, Latin American History, and World History classes ocasionally.

Mr. Siler referred to 1957 to 1970 as the Golden Years. During this period Mr. Siler was head of the French Club for 14 years. Many clubs then had over 100 members. The French Club had 49 speakers from 9 different French speaking countries.

Mr. Siler's hobby is studying Applachian history. An essay that he wrote was published this past year with fifteen other essays in the book. **The Applachian Experience: Staying and Leaving.** After retirement Mr. Siler plans to pursue his interest in Applachian history. He also hopes to do some traveling.



Mr. Siler begins his French class. **Mr. Pelz** explaining a drawing lesson to his Art Foundation class. **Mr. Pelz** gives Tamara Laird a a demonstration on how to kneed clay. **Mr. Pelz** shows Debbie Emond how to center a ball of clay. **A guest artist** Bib Neiman demonstrates how to weave Jute. **Mr. Siler** chats with two French speaking students, Dominique Bredy from Haiti and Julitete Le Thanh from Laos.

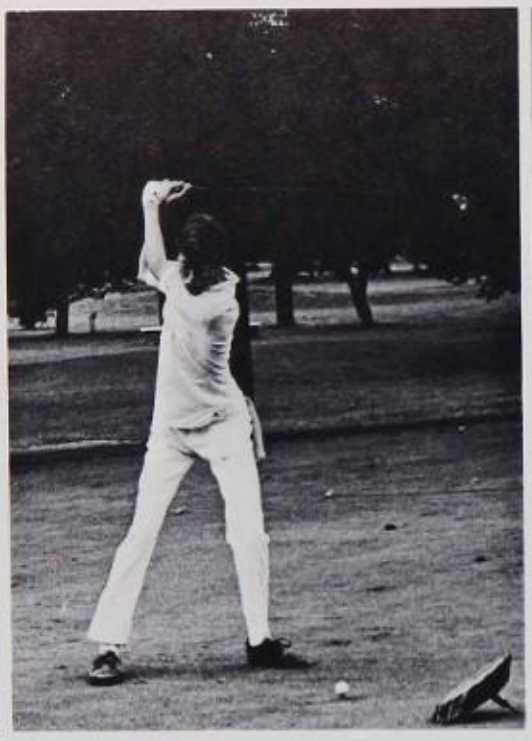
You Got "Spring Fever" and missed a day of school. Go back 1 space.

You were King of Hearts, Congratulations. Advance 5 spaces.

Senior had to take a final exam. Go back 2 spaces.



You ditched the whole six weeks of gym class. Go to your dean.

You slipped on a banana peel in the Student Center. Go to the nurse.

You trip walking up to receive your diploma. Go back 1 space.

"The Game" 1975-1976 has ended. But the game of life never ends. For the class of '76 a new game will begin with new players and new rules. The underclassmen will return to start in September and begin again. The rules and players may change a little, but the new freshmen will find "the games" are basically the same as they have been. They will play by the rules and they will come to realize "you win a few, you lose a few."

To Barry
Glad beer
we knowing, hope
we keep partying together
How about
doing
more
with you. Love
to party some more
Therese

Barry,
I haven't known
you
but it
like a long
time to have
know you
HOPE TO
PARTY A
long time
TOGETHER
ALL long
time

To: Barry [alias Ferb, alias Furrbear,
alias Ferber, alias (Bleep!)]

You have been with me in just about
every band I've been in. And though some
people might not think so, (I think you
know who I mean) I think you have
been trying. Keep up the good work!

Glad to see you make it though
school instead of becoming a daddy
before your time (If you get my drift.)

Good luck with Margaret, your job,
and 1230 Austin (basement front).
Hope to be with you in the future
and stay high.

Your freindly neighborhood
amateur musician,
Fuzz (alias Dave Danforth)

Dear Barry,

I'm sitting in your front dr[illegible] stepping a beer (AS USUAL) in your shoe. Well apartment. Well it! we made it can you believe it! I can't believe were gonna be out of high school. I can't believe the long road of life grammer school. I can't believe that you remember it, I dint know the time and clive knows you and Barry and hell I can't still remember your ITA ITA ITA

Hi Barry
How is Peggy
Kid. I bet your
wondering why Dan right
so slopy. Its because Dan
wasted. So Dan what you gonna
work your life. So to
auto parts.
